

DEPARTMENT OF MATHEMATICS
California State University, Bakersfield
MATH 101 – Finite Mathematics – Section 4

Instructor: Charles Lam

Office: SCI 114E

Phone: (661) 664 2403

Email: clam@csub.edu

Homepage: <http://www.csub.edu/~clam>

Class times: 6-9MW, DDH 105H

Office Hours: 1-3MTR, or drop by when I am in.

Text: Finite Mathematics & Its Applications, 8th Ed., by Goldstein, Schneider and Siegel.

Topics covered: Chapters 1, 2, 3, 4, 5, 9, 10.

Calculator: Graphing Calculator TI-83. TI-83 can be rented from the Stockroom in the Science Building for \$15 for the quarter. Equivalent calculators are allowed, however, you will receive no support from me on using your calculator.

Labs: Labs are scheduled in the last hour of each class. You are required to work in groups of 2-4 on assigned problems and hand in the lab reports in class.

Homework: Homework will be assigned weekly on Wednesdays, and is due the Wednesday after.

Grading: In addition to homework, labs, there will be two tests, and a final exam (cumulative). A pass (50%) in the final exam is required to obtain a final grade of D- or better.

Attendance and Participation	100 points
Labs	100 points
Homework	150 points
Three Tests	150 points each
Final Exam	200 points
Total	1000 points

Test Dates:

- First Test: October 10, Monday (tentative)
- Second Test: October 31, Monday (tentative)
- Third Test: November 21, Monday (tentative)
- Final Exam: November 30, 5-7:30pm, Wednesday

Remarks:

- There will be no make-up exams or tests. If you know in advance that you are going to miss an exam, please make your arrangements with me at least one week ahead.
- Please hand in homework and labs on time. Late homeworks and labs will be accepted up to the beginning of next class for 50% of credit.

Academic Dishonesty:

You are encouraged to work with your classmates in labs and homework. However, YOU ARE REQUIRED TO HAND IN WORK WRITTEN BY YOURSELF. A rule of thumb is to destroy any evidence of discussion before writing up the solutions yourself.

If you collaborated with anyone, ACKNOWLEDGE COLLABORATORS. Please also note that, ACKNOWLEDGING YOUR FRIENDS ON THE CONTRIBUTION DOES NOT MEAN YOU HAVE THE RIGHT TO COPY OTHERS' WORK. YOU MUST WRITE THE SOLUTIONS IN YOUR OWN WORDS.

If you are caught cheating, the policy for this class is -10% to the final grade on the first offense, -20% for the second, and -50% thereafter.
