**Remarks:**

- ATTENDANCE IS REQUIRED - Attendance will be taken during 30-60 minutes from the beginning of the class.
- A calculator is required during exams. You will need a calculator with simple statistical functions.
- Bring text to class for every class.
- There will be no make-up exams or tests. If you know in advance that you are going to miss an exam, please make your arrangements with me at least 3 days ahead.
- Please turn your pagers and cellphones to vibrate.

**Academic Dishonesty:** You are encouraged to work with your classmates in Labs and homework. However, YOU ARE REQUIRED TO HAND IN WORK WRITTEN BY YOURSELF. A rule of thumb is to destroy any evidence of discussion before writing up the solutions yourself.

If you collaborate with anyone, ACKNOWLEDGE COLLABORATORS by writing their names on the homework and lab. Please also note that, ACKNOWLEDGING YOUR FRIENDS ON THE CONTRIBUTION DOES NOT MEAN YOU HAVE THE RIGHT TO COPY OTHERS' WORK. YOU MUST WRITE THE SOLUTIONS IN YOUR OWN WORDS.

If you are caught cheating, the policy for this class is -100% on your piece of work.
