

Contract for LSAMP Enrollees

LSAMP is an NSF/CSU program to broaden participation in science, mathematics, engineering and technology (STEM) disciplines and contribute to the national agenda to increase the number of underrepresented minorities receiving baccalaureate degrees in STEM disciplines, or be a member of a group that has traditionally been underserved in higher education and faces social, cultural, educational, or economic barriers to careers in STEM. If you are a member of one (or more) of these targeted groups, please complete this form.

1) I wish to participate in the LSAMP program on my home campus. By agreeing to this, I am authorizing LSAMP access to my grades.
