- (1) All group members should participate in the presentation
- (2) bring your presentation on a flash drive or CD-R
- (3) Model your presentation after a research paper: Intro, Materials&methods, Results, Discussion.
- (4) Each group will be given 15 min to present their research, with 5 min of questions following the presentation.
- (5) don't get bogged down in the details for the methods/materials, describe what you did and how your data was collected, but do not provide a cook book account of every detail.
