**Position:** Physicist

**Type:** Assistant Professor (Tenure-track)

**Academic Year:** 2015/16  
**Available:** 1 September 2015

**Location:** Department of Physics & Engineering  
School of Natural Sciences, Mathematics and Engineering  
California State University, Bakersfield

**Contact:** Administrative Support Coordinator  
Department of Physics and Engineering, 64 SCI  
California State University, Bakersfield  
9001 Stockdale Highway  
Bakersfield, CA 93311-1022

**Application Deadline Date:** To insure full consideration, apply by January 12, 2015 (position open until filled)

**Announcement Deletion Date:** February 16, 2015

**Description:** Full time, tenure track position to a) teach lower- and upper-division Physics and General Education courses, including the associated laboratories, b) engage in independent, publishable research and scholarly activities in field of specialization, c) supervise student research projects, d) advise students, and e) provide professionally related service to the university and community.

**Qualifications:** Applicants must hold a Ph.D. in Experimental/Applied Physics. Preference will be given to applicants whose line of research is in Materials Science or Optics, or promises synergies with faculty in the department or another department within the School of Natural Sciences, Mathematics and Engineering. Applicants are expected to have excellent academic credentials and a proven ability to teach courses and laboratory sessions effectively, maintaining strong student-faculty interaction. Furthermore, the successful candidate will be able to engage undergraduate students in research.

**Compensation:** Commensurate with experience and qualifications. Research startup funds available.

**Application:** The application package must include an application letter detailing candidate’s qualifications and experience relative to the position description, a statement of teaching philosophy (one page), curriculum vitae and unofficial transcripts. Official transcripts and three letters of recommendation will be requested of applicants being seriously considered. For questions, contact the department’s Administrative Support Coordinator at (661) 654-2664 or E-mail: physics-position@csub.edu. Send the package by email to this address, or by regular mail to the contact address above. Incomplete applications will not be considered.

**Setting:** CSUB is a regional comprehensive university that prides itself in undergraduate education and small, high-quality programs. Kern County is an energy rich region with outreach development and research opportunities.
