Wishing everyone best wishes during this holiday season. Have a Happy New Year also. I hope you and all your families enjoy the upcoming months. May you help those less fortunate if possible.

I look forward to seeing many of you at the Holiday Luncheon at the Stockdale Country Club. Please bring whatever you can spare for the university food pantry to the luncheon.

If any members would like to see us pursue any new programs or revive any old ones, please let us know. All are welcome to any Board Meeting, held on the first Thursday of most months at 1:30 pm, in the Health Center Conference Room.

Next Board Meeting: Thursday, January 2 at 1:30 pm, Student Health Center Conference Room.

Thursday, January 9 at 2 pm in the Stockdale Room (located at the Runner Café – park in Lot M with your pass displayed.)

The speaker will be Vickie Schallock, a long time volunteer/docent who conducts tours of the Union Cemetery. She will share her knowledge on the history of the cemetery with us. Should be an interesting topic.

The pantry theme is “Beans & Chili”.

Also, see information about the Holiday Luncheon on Friday, December 6 on page 7. Note that the due date for reservations is Friday, November 29.

Editor’s Note

Karen Polyniak

Welcome Committee

Vice President (Membership) Marilyn Perry (589-8584, marilynn.perry2@gmail.com)

We had 43 members attending our November general meeting. David Lyman, Manager of “Visit Bakersfield” spoke on the economic impact of people from around the world visiting Bakersfield. He was a wonderful and engaging speaker! His enthusiasm and knowledge of our great, growing city was really inspirational. As of November 7, we have 126 members on our roster. The attending members were very generous with their donations of soups for the CSUB pantry! Thank you!!

I wish to thank the members of the Elder College committee: Donna Marquez, Lark Bowyer, Colleen and David Mathis, Billie Swanson, Kathleen Wagner and me.

My son, Brian Tikanen, spoke to us about cell phones, tablets, computers and Smart TVs and how to make the best use of them. The Kern Genealogical Society gave a wonderful presentation that opened our eyes to how to make the best use of our library’s resources for our family history. William Todd gave an informative talk on LEDs and new auto technology involving hybrids and how they can improve our auto experience. David Hanley spoke on our computers and DNA that was much appreciated.

Keith Barnes provided a wonderful culinary experience with his great lunches.

The La Brea Tar Pits was a terrific field trip. Thank you to Elaine Jennings and Sarah Hendrick who were such a great help in making the field trip enjoyable.
