## President's Message

Carla Stanley

(428-1517, [searosas53@hotmail.com](mailto:searosas53@hotmail.com))

Thank you to Katherine Winters from White Wolf Wellness Foundation for her presentation at our November general meeting.

The Holiday Luncheon at Stockdale Country Club is on **Thursday, December 12**. The reservation form is on page 3. Hope you can make it, reservations are due December 6.

Thanks to the 60+ Club members who helped as "patients" for the freshman nursing student to practice their assessments skills. It is a small service we are performing that has great rewards in the education of future nurses.

Visit the Walter Stiern Rose Garden. It is overflowing with fall roses. Come January, we will prune them all down so they will have time to regenerate their beautiful March blooms.

The next board meeting is **Thursday, December 6 at 1:30 pm** at the CSUB University Advancement Conference Room. Anyone is welcome to attend, but we have limited space. Any non-board member needs to contact me ahead of time. There will not be a January board meeting.

## Communications Committee

Co-Vice Presidents (Programs)

**General Meeting - Thursday, January 9 at 2 pm** in the Stockdale Room which is located at the Runner Café. Parking will be in Lot M. Don't forget to place your parking permit on your dashboard.

We welcome Susan Pinza, Director of the Levan Institute for Lifelong Learning since 2018 and professor of Education at Bakersfield College. She will present information about the Levan Institute for Lifelong Learning which offers classes aimed at the interests of those aged 55+ in our community (any adult may take the classes). It was formed by generous donations by late, local dermatologist Dr. Norman Levan. The first classes began in fall 2008. Susan Pinza loves creating opportunities for adults to enrich themselves through classes that teach them something new. She is particularly pleased with the quality of the instructors that the Institute has--from BC and CSUB professors to professionals to retired employees of various disciplines--all enjoy sharing their passion for their topic.

Pantry Needs: Now that the weather has turned a little cooler maybe soups and crackers as well as other comfort foods would be nice to bring to the pantry. As usual any and all items are so appreciated.
