President's Message

Bob Laramée

(588-1463, bookworm@lightspeed.net)

I hope you have been able to enjoy the fine weather we've been having. Springtime in Bakersfield is quite nice. I understand that there are not many wildflowers this year due to the lack of rain, but as I look around my neighborhood I see many flowers in front yards that can be enjoyed by all. We have a rose garden on the CSUB campus that we maintain. It is located by the Doré Theatre. Right now, it should be in its first flush of flowers. This is often the best bloom of the season. I invite all of you to check it out and later when it is time to deadhead the spent flowers, I hope that you will consider joining the group and helping to clean up the garden for its next flush of flowers.

Our annual elections are over and counted. Thanks to the committee for putting up a slate of candidates. Several new people have offered to serve and that is excellent. New blood always means improvement. A thanks too for those who are leaving the board. You are unsung heroes. This club, like any volunteer organization, is dependent on those who are willing to give a few extra hours to make sure the club is functioning properly. We also have important posts that are not elected and it looks as though there will be a significant number of changes this coming year. Should you be asked to serve, I hope you will accept.

Thanks to everyone who play a part in the success of this club. This includes those in elected positions and those on the board who keep things moving as expected. Thanks to those who lead the many interest groups that are at the heart of the club's success. It also includes those of you who attend the general meetings. These meetings are important as they give evidence to the level of participation by the membership. Our club is well known because you support the many activities we have.

Vice President (Programs)

Ted Murphy

(325-0307, tmurphy@csub.edu)

Thursday, May 2 at 2 pm in the Icardo Room: We welcome Chris Brewer, a great-great grandson of Bakersfield's founder, Colonel Thomas Baker. He will talk about his new book: *Colonel Baker's Field: An American Pioneer Story*. Musician, historian, architectural historian, publisher, and store owner, Brewer lives in Exeter, where he is the Curator of the Exeter Historical Museum and co-owner with his wife, of the Book Garden and the Exeter Flower Company in downtown Exeter.

General Meeting Information, continued

Chris Brewer wrote this book (with Judy Salamacha and Sandy Mittlestedt) to "clear up some of the mis-information in print about Colonel Baker."

Brewer has the largest privately-owned collection of historic photographs of Bakersfield and Kern County, many of which appear in his books, columns and magazine articles. He began a publishing venture in 1979 and his Bear State Books now has over two dozen titles in print. Brewer "was raised with living history" - his father, Harold Baker Brewer, was active in the Kern County historical community. Chris also consults with CalTrans on historic buildings in the Central Valley and has been involved in a number of projects in Bakersfield where he received a Beautiful Bakersfield Award in 2005.

Vice President (Membership)	Craig Pelz	(664-9509, cpelz456@bak.rr.com)

Hello!!!

A big hello to 60+ Club members. Our April 11 meeting was a light hearted humorous affair. Scott Cox, star of the morning show on 1180am KERN radio and *The Bakersfield Californian* website www.bakersfield.com, regaled fifty-seven members with his life experiences and start in local radio. Scott was witty with a gift for storytelling, growing up in the southwest and, as he puts it, finally landing in Oildale.

60+ has T shirts, mugs and pins for purchase. These items will be available at the May meeting and at the Installation luncheon. Congratulations to Cheryl Tikanen and Eloise Higgins for winning the mug giveaway at the April meeting.

Outreach	Judy Harris	(831-7613, ibejudyh@sbcglobal.net)

Thanks to Judy Beggs, Peggy Bryson, Louise Bush, Dee McCullough and Billie Swanson for their help with the CSUB Student International Dinner. It was a fun night working with the International students serving food from their countries, eating some of their interesting dishes, and a night of entertainment.

Charlene Edwards, Karen Polyniak, Dee McCullough and I volunteered at the 60+ table at the First Assembly of God Senior Faire. It was the first without Margaret Southwick. She was missed!!!

Baseball continues to roll along toward the close of another season.....it is hard to believe. We only have 7 home games remaining (April 19, 20, 21 & 23 & May 10, 11 & 12). We want to thank Ziggy and the Athletic Department for honoring the 60+ers at the March 30 game. Those that could make it enjoyed a beautiful day. Of course, the highlight was our own Bob Edwards throwing out the first pitch.

If you aren't volunteering at any of the remaining games, please go out and support our team. The team is doing so well. Go Runners! Also, hard to believe that this is the last newsletter for the year. THANK YOU VOLUNTEERS. I hope to see you all next year.

Calif. Well Sample Repository (CWSR)

William Todd

(871-2530, wetodd1@yahoo.com)

The Repository contains an historical collection of geological core samples from more than 4,000 gas and oil wells drilled all over California from as far back as 1930. Our volunteers are responsible for carefully organizing and indexing the samples, well reports, and well logs. You can join the fun (detective/crossword type work) on each **Wednesday** of the month (from **9 am to noon**) at CWSR, which is located by the south entrance on Roadrunner Drive, across from the CSUB athletic track and field. Parking is available in front of the building. Most of the time, we go to lunch together after work. See you there.

---	----------------------	-------------------

Meet you at the Rose Garden on these **Tuesdays: May 14 & 28, June 4 & 11**. These dates were chosen because many volunteers indicated that Saturdays were not convenient. Please come early for parking, we'll be there until **9:30 am**. If you would Saturday outings, please contact me.

To jumpstart Climbing Roses, you need 3 essentials, 1) Well-drained soil, 2) Full sun and 3) A post or trellis or arbor for them to climb over. It is best to plant in Spring or Autumn. Space these roses approximately 6' apart. Climbing Roses such as in the CSUB Rose Garden are full of surprises, no two pepper-scented flowers look alike and some have various colors that pop up in a single cluster or even in a single bloom, such as the Jacobus Rose. Come and check out the Garden.

Cheryl Tikanen, Chairman**

Are we having fun yet? From listening to jazz to taking a train trip, Elder College provides a lot of fun and learning experiences. Elder College began as an Elder Hostel and was directed by Laura and Harvey Brockmeyer. After three sessions, a decision was made to transform it into a week long Elder College sponsored by CSUB. Each morning there are two sessions and in the afternoon, one session. Lunch is served at the Commons and this year we may have a couple of catered meals in the Dezember Center. We invite you to attend this year. The more people, the more successful Elder College is and will continue for more years. I have loved each year and know you will too.

Eloise Higgins, Elder College Committee member

TOPICS FOR 2013
