President's Message

Ted Murphy

(325-0307, tmurphy@csub.edu)

It has been a busy month – on March 22 we celebrated the 80th birthday of past president Margaret Southwick and a few weeks later memorialized the life of her husband, Dick, a remarkable man who died at the age of 88. At times like this Peggy tells me: “Ted, we must get some younger friends.” I agree, and although we have many friends who are “less senior” we must continue to cherish our older friends. Harvey Brockmeyer just celebrated his 98 birthday, Wendall Kinney was 96 on April 26 (I always thought he was older than that!) Past-presidents Perri Stinson is now 93, and Roger Clark is 89; Bettsi Kinney is 90, Billy Burke is 88, and there are others who have also given many years of service and friendship to 60+. Let them know you appreciate them and encourage new folks to become members of this great group.

We have had several work parties in the Walter Stiern Rose Garden this spring - on April 15 we presented a program to the President's Community Advisory Committee and picked beautiful roses for some of them. This week we dead-headed again and, assisted by Evelyn Young, Assistant to President Mitchell, produced bouquets of roses for Provost Soraya Coley and Vice-president Mike Neal, both members of 60+. We plan to send similar gifts to Dr. Mitchell and other campus leaders in coming months. *(continued next page)*

President's Message, *continued*

Thanks to Kathleen Wagner and her Elections Committee for putting together a great group of Board Members to lead 60+ in 2014-2015. Special thanks to those who agreed to continue serving for next year and to those who are new to the Board. I am certain that next year we will grow the club and accomplish a lot, and have fun. We will meet over the summer to work out a budget, make plans for Possibilities Day (September 11), and discuss activities for the coming year. Reserve the date of June 12 for the Installation Luncheon. The installation ceremony will take about 30 seconds; then there will be great food, entertainment, and a special ceremony to honor one of our members.

Red Alert! – The next meeting is on a different date and at a different place - May 1, in the Stockdale Room in the Runner Cafe. Mark your calendar now. There will be reserved parking in the lot west of the Stockdale Room.

Another One! As usual, this is the last Bulletin until the September issue. And my last chance of the year to have the Editor, Karen Polyniak, include a few words of my praise for the truly outstanding newsletters she has produced this year. Karen has developed a great format, which is not only attractive, but includes a tremendous amount of information about the Club, campus events, and a very useful calendar of activities. All the while she has struggled to get officers, group leaders, committee persons, and me(!) to submit information in a timely way. Thank you Karen for a great job!

Editor's Note

DEZEMBER BUSINESS CENTER

Elder College provides a lot of fun and learning experiences. Elder College began as an Elder Hostel and was directed by Laura and Harvey Brockmeyer. After three sessions, a decision was made to transform it into a week-long Elder College sponsored by CSUB. Each morning there are two sessions and in the afternoon, one session. Lunch is served at the Commons except for one catered lunch in the Dezember Center. On Friday there will be a field trip to Mojave. We invite you to attend this year. The more people, the more successful Elder College is and will continue for more years. I have loved each year's program and know you also will.

Eloise Higgins, Elder College Committee member

Things have happened in the WSMRG this month. We had a dead-heading detail on April 12 and Jean Childers, Billie Burke, Ted Murphy, Karen Polyniak, and non-member volunteers, Sarah Ablin and son Ben, produced large quantities of clippings AFTER we planted 6 new roses donated by Greg Dounes and the KC Rose Society.

On April 15, Ted Murphy gave a short tour of the Garden to some members of the President's Community Advisory Committee after their meeting in the Albertson Room. After Ted invited the visitors to use roses from the garden, he demonstrated the proper way to cut a rose, and then Jean Childers, Juliet Sweet, Karen Polyniak, and Linda Greene assisted in cutting roses selected by the visitors.

Then the 60+ers planted another gift of 4 potted roses from the Rose Society, courtesy of KCRC President Greg Dunes.

Rose Garden deadheaders on April 22 were were: Billie Burke, Juliet Sweet, Linda Greene, Ted Murphy, Evelyn Young (President Mitchell's executive assistant) and Brian Spath (Evelyn's husband).
