**Subj: State Service Vehicle Use on Campus
Directive 12-5**

This was previously distributed by Sergeant Kinder on 9-26-11 as an UPD email. However, this is still active.

Effective immediately, all state service vehicle use on the red brick road and the bike path as a thoroughfare is prohibited. If you notice a vehicle on the red brick road or bike path, and the cart or vehicle is using the roads strictly to cut through campus (not working on or near the road), then document the date, time, cart number and location. All vehicles in the bike path area should be utilizing the dirt shoulder only. If any vehicles are seen on the red brick road or the bike path, then forward the above information to the Chief via email and "cc" the sergeants. Please contact a supervisor with any questions.
