

B.A. in Criminal Justice Degree Requirements

Students pursuing the Bachelor of Arts degree in Criminal Justice learn about the causes, responses, and impact of crime on communities. The curriculum covers the Criminal Justice system's place in society, its development over time, and the role of society's views towards crime and punishment and how these views shape the system's actions, values, philosophies, and resources. Specific studies include coursework addressing the network of formal institutions and processes such as law enforcement, juvenile and adult courts, and corrections. Criminal Justice majors leave CSUB grounded in the intricacies of the U.S. justice system network, the theories underlying criminal behavior, and the research methodologies required to understand complex Criminal Justice issues.
