## Pillars

**Academic Preparation** - Develop a plan to provide academic and non-academic virtual support for first-time students who arrive in need of additional academic preparation.

**Enrollment Management** - Develop and implement a proactive communication strategy to remind students of the critical value of earning a college degree.

**Student Engagement & Well-Being** - Develop strategies for leveraging technology to reinforce a sense of belonging and to build meaningful social connections across campus.

**Financial Support** - Identify additional opportunities to provide students with financial support beyond traditional financial aid.

**Data-Informed Decision-Making** - Develop a strategy for collecting, analyzing and disseminating data that provide insight into how the spring 2020 term has affected equity and student progress toward degree.

**Administrative Barriers** - Prioritize cross-divisional efforts to identify and eliminate institutional barriers to student success.

## Equity Goals & Priorities

**Re-Engage and Re-Enroll Underserved Students:** Advance systemwide and campus re-enrollment campaigns and establish campus retention targets beginning with the spring 2022 semester and continuing for the next three years.

**Expand Credit Opportunities with Summer/Intersession Funds:** Supplement enrollment of URM and Pell students in intersession and summer session with the goal of closing equity gaps in credit accumulation at targeted campuses.

**Ensure Equitable Access to Digital Degree Roadmaps:** No later than June 15, 2022, every CSU student will have access to and adoption of a real-time digital degree planner.

**Eliminate Administrative Barriers to Graduation:** No later than June 30, 2022, each CSU campus shall, with an equity-centered framework, revise drop for non-payment policies, re-evaluate registration hold policies and reform the graduation filing process.

**Promote Equitable Learning Practices and Reduce DFW Rates:** Beginning fall 2021, the Chancellor's Office will engage ASCSU, campus presidents, provosts and deans to identify the top 10 high enrollment critical major pathway courses (by campus) with higher-than-average equity gaps as defined by DFW rates.
