REQUEST FOR CHANGE OF PROGRAM OR PLACE OF TRAINING INSTRUCTIONS TO APPLICANT

1. **GENERAL** - This application form is for use by veterans, servicepersons, and selected reservists under chapters 30 and 32 of title 38 U.S.C. or chapter 106 of title 10 U.S.C. Because chapters 30, 32, and 106 are separate educational assistance programs, these instructions and the application form make reference to a specific chapter when a provision does not apply to all chapters.

a. Chapter 30 is known as the "Montgomery GI Bill - Active Duty Educational Assistance Program."

b. Chapter 106 is known as the "Montgomery GI Bill - Selected Reserve Educational Assistance Program."

c. Chapter 32, including Section 903 of PL96-342, is usually identified as VEAP (Veterans' Educational Assistance Program).

d. Section 903 of PL96-342 is identified as "Noncontributory VEAP."

2. **CHANGE OF PLACE OF TRAINING** - If you are pursuing the same course or program, you may change your place of training without restriction provided your progress and conduct are satisfactory, and the transfer can be made without substantial loss of credit.

3. **CHANGE OF PROGRAM** - A change of program is a change of your educational, professional, or vocational objective from the objective you were last pursuing if the experience and/or credits you have accumulated are not transferable to your new program at essentially full value.

a. You may be authorized one change of program upon your request if progress and conduct in your original program were satisfactory.

b. You may apply for a second change of program. However, benefit payments cannot be authorized for the change unless your program is shown to be suitable to your aptitudes, interests, and abilities. If you select the program with the assistance of a professional academic or vocational counselor, the processing of your request for the change of program may be completed by VA sooner if you will submit a copy of the counselor's findings and recommendations with this form. If additional evidence is required to establish the suitability of your program, you will be informed of the preferred types of evidence after your request has been reviewed.

c. Any additional change of program, beyond the second change, will be considered only if you submit acceptable evidence to establish that the additional program is required by circumstances beyond your control. The program must also be shown to be suitable to your aptitudes, interests, and abilities.

4. **VA COUNSELING** - Counseling is provided by VA to assist you in planning a suitable educational, professional, vocational, or employment objective. Counseling is provided without charge, but any necessary travel will be at your own expense. Counseling is not available in foreign countries except the Republic of the Philippines. You may request counseling by completing Item 12 of the application form.

5. **COURSES AND PROGRAMS YOU MAY PURSUE** -

a. Training may be pursued for courses which have been approved by the State approving agency as follows:

- (8) High School or Equivalent - Available for chapter 32 (see paragraph 5b below).

b. Veterans and servicepersons who do not have a high school diploma, or the equivalent, may pursue approved courses at the elementary or secondary level. Additional specific requirements for chapter 32 only are that the student must be an enlisted person or former enlisted person and must have passed the point in time which is 6 months prior to completion of his or her first enlistment. No entitlement is charged for pursuing these courses when the student receives only reimbursement for the cost of tuition and fees, not to exceed established maximum rates based on training time. Veterans under chapter 32, regardless of training time, may elect to receive regular monthly payments, provided that entitlement is charged accordingly.

c. Effective October 1, 1990, the following types of training are available under chapter 106: non-college; apprenticeship or on-the-job; correspondence; flight; and cooperative. To receive benefits for such training, an otherwise eligible reservist must enlist, re-enlist or extend his or her Selected Reserve commitment (on or after October 1, 1990) to have 6 years of obligated service remaining after the enlistment, re-enlistment, or extension is signed.

6. **REFRESHER OR REMEDIAL TRAINING** -

a. Educational assistance is payable for refresher, remedial, or deficiency courses under chapters 30, 32, and 106.

b. A veteran under chapters 30, 32, and 106 who needs refresher or remedial training to qualify for admission into a degree or vocational program may receive benefits for those courses with a charge to entitlement.

c. A veteran under chapters 30, 32 and 106 may take refresher training to update his or her knowledge and skills and to receive instructions in the technological advances that occurred in his or her field of employment after entering military service.

7. **HOME STUDY COURSES** - If you are considering enrolling in a home study course or a combination correspondence-residence course, be sure the field is suitable to your abilities and interests before you sign an agreement with the school. Information on home study courses and the percentage of students who begin courses and actually complete them is available at the nearest VA regional office. You should consider your decision carefully before signing an agreement which may require you to pay for all or the majority of the course even though you complete only a portion of it.

8. **RESTRICTIONS** -

a. Benefits may be authorized only for pursuit of approved courses leading to an educational, professional or vocational objective for which you are not already qualified.

b. The law prohibits the approval of courses for recreational or avocational purposes, bartending courses, personality development courses and courses offered by radio.

c. Benefits cannot be paid for audited courses. Further, benefits will not be payable for a course from which you withdraw, or for a course in which you receive a grade that does not count toward graduation, unless mitigating circumstances are presented. Effective June 1, 1989, you will not need to furnish mitigating circumstances for the first instance of withdrawal from courses totaling 6 credit hours or less.

d. Benefits will be discontinued if you do not maintain satisfactory progress or conduct in training.

e. VA benefits cannot be authorized for any courses that are paid for in part, or in full, by the Armed Forces or the Public Health Service.
