

WELCOME TO THE SCHOOL OF ARTS & HUMANITIES

The School of Arts and Humanities (A&H) is here to support you in attaining your educational goals. We provide several types of advising, counseling, and mentoring to meet your needs. Explore the many options available to you below.

Faculty Advisors and Mentors

Faculty Advisors and Mentors provide advising for courses in major, career planning, internships, study abroad options, and lift advising holds.

Music and Theatre majors meet with faculty first. All other Arts and Humanities majors are advised at the A&H Student Center first for general education requirements and then referred to their department for major advising.
