

Runnervation(n.)

(run-ner-va-tion)

A student-led movement where Roadrunners invest in each other to expand opportunities and support for years to come.

WHAT DOES A "YES" VOTE MEAN?

- Increased scholarships and aid to students.
- More students receiving the \$1000 ASI Scholarships.
- Students receiving parking passes, as well as gas and grocery assistance.
- Student clubs and organizations will receive more funding and be able to request necessary supplies.
- Increased and elevated student events and activities.
- Expansion of the Runner Nights Carnival, support existing student-focused activities, and bring back the Runner Nights Concert.
- Projects to support students such as a demonstration kitchen and other major initiatives.
- AV students will see an increase in scholarships and programming, and travel opportunities to engage in experiences at main campus.

WHAT DOES A "NO" VOTE MEAN?

- No new scholarships will be given to students
- Only 60 students will be able to be awarded the \$500 ASI Scholarship.
- Limited growth for student clubs and organizations.
- Clubs will receive no additional funding to support their growth or operational needs and will have to remain focused on fundraising rather than cultivating the campus experience.
- Decrease in student activities.
- Due to rising costs, activities and programs may decrease and less students may be served.
- A campus concert would not be financially feasible.
- AV students will see a decrease in scholarships and programming without this additional boost.

Current ASI-Student Government Fee:
