

# WHY DOES THIS INITIATIVE MATTER?

Student-centered Support:  
More scholarships will be given to students, in addition to grocery and gas assistance, that will assist students with everyday costs.

Elevated Student Programs:  
ASI will bring back a major concert to campus with an artist that is selected by students. ASI will also contribute to elevating existing large-scale programs such as the Runner Nights Carnival and Week of Welcome.

As our University grows, ASI understands that the needs of our students have also expanded and broadened. This initiative will support both campuses and provide experiences and services to enrich students.
