Directive 10-2

Effective immediately, the parking lot adjacent to the Baseball Field can be patrolled for parking permits. Except for game days when the lot will be exempt, all vehicles parked in the lot must comply with permit regulations. Also, except for the 4 vehicles belonging to the coaches, no vehicles will be permitted to park inside the fenced area of the field, unless approved by the UPD for a special event. This includes while the team is on a road trip, they are required to park in established parking areas. During events, the small parking lot and Parking Lot H can be exempt for the event parking as per normal protocol.

Also, we have agreed to unlock the gate upon a request of a baseball player that is on the attached list. We will not be responsible for locking the gate, the ball players or coaches will handle securing the field.

It is our intent to support the athletes and their events within the parameters given along with other campus policies. If you have a question please do not hesitate to call a supervisor, the Lt. or myself to get clear direction when needed.
