## **Directive 10-8**

OLLI is a grant funded university event that allows older community members to take advantage of learning opportunities via CSUB. It has been a very positive program for CSUB and the members that presently participate. This program has 320 members presently. Approximately 40 of these members visit this campus at least once a week taking advantage of the learning opportunities being made available by this program. OLLI members do not receive credit for any completed courses completed at CSUB.

Based on the intent and function of OLLI, and discussion with the Dean that oversees the program, I have determined that OLLI is an "activity" on the CSUB campus. Therefore, those OLLI members may purchase the quarterly Activities Permit to park on campus under CSUB Parking Regulations Section 2.2.02.

OLLI members that do not purchase an Activities Pass will be required to purchase daily permits unless other arrangements have been set forth, such as a speaker event that has authorized an exempted parking area via the existing protocol.
