## INDEPENDENT AUDITOR'S REPORT

To the Audit Committee  
Associated Students, California State University, Bakersfield, Inc.

### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the financial statements of Associated Students, California State University, Bakersfield, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2026 and 2025, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Associated Students, California State University, Bakersfield, Inc. as of June 30, 2026 and 2025, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Associated Students, California State University, Bakersfield, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Students, California State University, Bakersfield, Inc.'s ability to continue as a going concern one year after the date that the financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT, CONTINUED

### ***Auditor's Responsibilities for the Audit of the Financial Statements, continued***

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Students, California State University, Bakersfield, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information shown on pages 13-23 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 11, 2026, on our consideration of Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. #### **Note 1 - Organization and Summary of Significant Accounting Policies**

##### Nature of Activities

Associated Students, California State University, Bakersfield, Inc. (the Organization) was formed and operates as a nonprofit auxiliary organization of California State University, Bakersfield (the University) located in Bakersfield, California. The Organization exists as an advocate for students and provides programs which encourage leadership development, educational interests, and cultural awareness both at the University and statewide. The Organization has been in operation since 1976 and became a viable fiscal entity with the introduction of mandatory student fees by an election in 1977. The Organization's primary source of revenue is associated student body fees. Associated student body fees collected by the University and remitted to the Organization are included in revenue and support without donor restrictions in the statement of activities.

##### Financial Statement Presentation

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

- Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.
- Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization did not have any donor restrictions that were temporary or perpetual in nature for the years ended June 30, 2026 and 2025.

##### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### Income Taxes

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows U.S. GAAP related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of activities, when applicable. Management has determined that the Organization has no uncertain tax positions at June 30, 2026 and 2025, and therefore, no amounts have been accrued.

##### Accounts Receivable

Accounts receivable arise in the normal course of operations. Accounts receivable are recorded at unpaid balances, less any allowance for credit losses using a forward-looking expected credit loss model. The expected credit loss model requires management to estimate current expected credit losses over the lifetime of the assets by considering all reasonable and supportable information, including historical experience, current conditions, and reasonable and supportable forecasts affecting collectability. Based on this review, management has determined that an allowance for credit loss is not necessary for the years ended June 30, 2026 and 2025.

### Note 1 - Organization and Summary of Significant Accounting Policies, continued

#### Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of five years.

#### Revenue Recognition

Each matriculated student of the University was required to pay associated student body fees of \$237 per Fall and Spring semester and \$148 per Summer semester for the year ended June 30, 2026, and \$229 per Fall and Spring semester and \$143 per Summer semester for the year ended June 30, 2025. Fees are due and collectible prior to the first day of the academic semester. These payments, collected by the University then transferred to the Organization, support the Organization's program activities and are recognized by the Organization when cash receipts are received on a ratable basis over the academic semester, which is when the program services are delivered. The Organization may not receive the full amount of fees charged to students if amounts remain uncollected by the University.

Other program revenues is primarily composed of chartered club activities. Revenue is recognized at a point in time when the transfer of the goods occurs, or the student attends the event.

#### Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred.

#### Functional Expense Allocations

The Organization's accounting system is established to record expenses by fund, department, and natural expense. Expense function is determined by a combination of fund and department. With the exception of the student club fund, all other funds have expenses that are programmatic and general and administrative in nature.

#### Subsequent Events

The Organization has evaluated subsequent events through September 11, 2026, which is the date the financial statements were available to be issued. Management determined that no subsequent events occurred that required recognition in the financial statements or additional disclosure in the accompanying notes.

### Notes to Financial Statements

Years Ended June 30, 2026 and 2025

---

#### Note 2 - Liquidity and Availability, continued

The Organization is substantially supported by student fees collected by the University and subsequently transferred to the Organization for Programming Services. None of the financial assets are subject to donor restriction, and therefore, all financial assets are available for general expenditure within one year. The Organization has no other liquid assets available from which to draw.

#### Note 3 - Concentrations of Credit Risk

The Organization maintains its cash in bank deposit accounts that are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per depositor per financial institution. The balances at times may exceed FDIC limits. The Organization manages this risk by using high-quality financial institutions.

#### Note 4 - Revenue Recognition

##### Significant Judgments

The Organization analyzes revenue recognition on a portfolio approach under ASC Topic 606, *Revenue from Contracts with Customers*. Significant judgment is utilized in determining the appropriate portfolios to assess for meeting the criteria to recognize revenue under ASC Topic 606. The Organization has determined that, for each distinct revenue stream identified, all contracts can be grouped into one portfolio. Based on past experience, customers within each distinct stream all behave similarly, contracts contain similar terms, and policies are the same across all contracts. The Organization does not expect that revenue earned for the portfolio is significantly different as compared to revenue that would be earned if they were to assess each contract separately.

Significant judgment is also required to assess collectability. The Organization assesses collectability each reporting period to monitor that the collectability threshold is met and does not recognize revenue if collection is not probable. Impairment losses are recognized when there are significant changes in a customer's assessed collectability.

#### Note 5 - Property and Equipment

Property and equipment consists of the following:

|                               | 2026             | 2025        |

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

To the Audit Committee  
Associated Students, California State University, Bakersfield, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Students, California State University, Bakersfield, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2026, the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 11, 2026.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Associated Students, California State University, Bakersfield, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS*, CONTINUED

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
