

ASSOCIATED STUDENTS, INC. (ASi)

The Associated Students, Inc. of California State University, Bakersfield exists to provide an official voice through which students' opinions and issues may be expressed regarding university and statewide affairs. ASi seeks to assist in the protection of the rights and interests of individual students and the student body as a whole. ASi was incorporated in 1987 as a non-profit organization. It is an officially recognized auxiliary organization of the California State University.

More than just a student government, ASi is a unique organization that fosters student development and involvement in educational, cultural, leadership, and social activities. This is accomplished through the provision of resources and programs that encourage leadership, civic participation, and social, educational, political and cultural awareness for the betterment of the students.

ASi is comprised of a Board of Directors (with directors from each school, class level, residential life, and Antelope Valley) in addition to the student body president and vice presidents, ASi oversees a budget that is funded entirely by student fees, paid each term by students. ASi does not receive state support. This Student Body Fee is reallocated by ASi to support student clubs and organizations, activities, programming, services, athletics, and the Children's Center. When you see the ASi logo, you see student dollars at work.

ATHLETICS

Now into its second quarter century of competition, the CSUB Athletic Department followed 35 years of success at the NCAA Division II level with the natural successful transition to NCAA Division I. Roadrunner Athletics is an active NCAA Division I member and a member of the Western Athletic Conference. CSUB offers eight sports for men (baseball, basketball, golf, soccer, swimming and diving, outdoor track and field and wrestling) and 10 sports for women (basketball, cross country, golf, soccer, softball, swimming and diving, indoor/outdoor track and field, volleyball, water polo and beach volleyball).

The Roadrunners were a model Division II athletics program, winning 30 National Championships and the prestigious Sears Director's Cup. CSU Bakersfield is the only CSU institution to achieve such status. The tradition of athletics success has carried into Division I as evidenced by their three NCAA Tournament appearances (Men's Soccer '11, Volleyball '14, Baseball '15) as well as a pair of Western Athletic Conference Tournament Championships in the 2014-15 season making it the most successful to date during CSUB's Division I history.

The Roadrunners have also won multiple WAC individual championships in swimming and diving, track and field and has boasted several Pac-12 wrestling titles along with NCAA All-American honors.

Over its history, CSUB has produced multiple professional athletes, including former heavyweight wrestler Stephen Neal who won two NCAA National Championships and went on to win Gold Medals in the World Freestyle, USA Freestyle and Pan American Games. Following wrestling, Neal played in the National Football League, starting as offensive guard and winning three Super Bowl titles with the New England Patriots. CSUB was also the collegiate home of MLS striker and US Men's National Team forward Gyasi Zardes who has won an MLS Cup with the LA Galaxy.

Former Roadrunners are also playing professional basketball and volleyball overseas along with professional baseball in the minor leagues for franchises like the Boston Red Sox, Colorado Rockies, Toronto Blue Jays, Chicago Cubs and Tampa Bay Rays. Another is currently managing in the minor leagues for the San Diego Padres organization.

CSUB-ANTELOPE VALLEY (AV) STUDENT LIFE CENTER

Office of Student Life

The office of Student Life plans and promotes student activities both on and off campus. Oversees CSUB-AV campus clubs and organizations while coordinating events and activities. Has oversight of the Student Life Advancement Committee (SLAC) promoting leadership development, planning campus events and programming. Plans and organize AV Grad Fair, and coordinates Graduation Reception for Antelope Valley branch campus. Collaborates with main campus programs, including the Runner Bookstore, ASI, Student Union, Student Involvement and Leadership, Campus Programming and Commencement Committee. Student Life Coordinator office is located on campus in the 200 building, and has oversight of the Student Services office in the Student Lounge.

Counseling Center

The CSUB-AV Counseling Center, located in Room 413, offers short-term, confidential, psychological counseling for personal, family, educational or occupational stress. The primary goal is to help students develop the personal awareness and skills necessary to overcome problems and to grow and develop in ways that will allow them to take advantage of the educational opportunities at the university. Students can have individual, couples, or group therapy.

Health Services

Health Services is located in the Student Services Building, and is available at CSUB-AV for all registered students who have paid the health services fee. There is a Nurse Practitioner on staff to provide non-emergency medical care at no extra cost. There is a slight fee for specialized lab testing, pharmacy services, etc. The Health Center also offers vaccinations to fulfill the mandatory university immunization requirement. For more information about services offered through the Antelope Valley Health Center, please refer to www.csub.edu/health_center/antelope_valley.

STUDENT SERVICES

Services for Students with Disabilities

Disability Services for the AV campus is located on campus in the Student Services Building. Services provided and eligibility requirements are the same as those listed for Disability Services at the main campus. SSD is staffed by one part-time Disability Management Counselor. Further information on the types of services and listed requirements for eligibility is available in the Student Services Building on the AV campus.

CSUB DINING SERVICES AND CATERING

The Runner Café, Rowdy's (in the Student Union), Peet's Café, and Walter's (in the Library) are operated by ARAMARK Higher Education. The Runner Café is open seven days a week for the entire campus community and general public, as well as for students living the Student Housing. Rowdy's is open Monday through Friday, and Peet's Café is open Monday through Friday as well. Togo's Sandwich Shop, located in Science III Building, is open Monday through Friday too. Days and hours for all locations vary and are subject to change.

CSUB Catering provides affordable and delicious catering services to the entire campus community. CSUB has an extensive menu that is certain to meet the needs of all entities on campus. The CSUB Catering Office is located in the Runner Café and is open Monday through Friday during regular business hours. Catering can also be reached by calling 661-654-2052. Menus can be viewed and orders placed through Catertrax, CSUB Catering's online ordering system: <https://csubcatering.catertrax.com/>

CENTER FOR CAREER EDUCATION AND COMMUNITY ENGAGEMENT (CECE)

CECE serves as the bridge for the employment and community engagement interests of CSUB students, the larger CSUB community, employers, and community organizations. They are CSUB's central hub for full-time and part-time employment, internships, and volunteer opportunities for students. By providing events and programs, they facilitate recruiting relationships with employers and community organizations and help students prepare for career success and on-going community engagement. CECE offers CSUB students comprehensive career counseling services, job postings, and opportunities to engage in community service.

Career Counseling and Guidance

An emphasis is placed on assisting students with self-reflection and appraising strengths relative to their career goals and aspirations. Career inventories are used to assist students in identifying interests and characteristics that facilitate informed career decisions.

Community Engagement

Options to engage with the community by way of internships, volunteering and special programs are available to students. A list of opportunities to engage with the community can be found in RunnerLink at www.csub.edu/cece.

Resume Development and Job Search Strategies

CECE helps students design impactful resumes that highlight their accomplishments, skills, and experiences. Additionally, CECE works with students individually and in groups design effective job search strategies.

Presentations and Courses

CECE facilitates career education presentations for a variety of classes and groups. Career development and community service courses are also offered by CECE and include topics focused around career readiness and community involvement.

On-Campus Interviews, Employers Information Sessions and Events

CECE frequently brings employers and organizations to campus through career fairs, information sessions, and on-campus interviews. Each of these allow students opportunities to network with employer representatives. These are significant components of the job search process. A complete list of events and employer visits can be found on RunnerLink at www.csub.edu/cece.

Job Listings

Each year thousands of jobs are posted in CECE's career services management system, RunnerLink, which is available to all CSUB students. RunnerLink can be accessed at www.csub.edu/cece.

CHILDREN'S CENTER

The Children's Center is a state licensed educational childcare center that provides quality childcare to the children of students, faculty and staff of California State University, Bakersfield and the community. The Children's Center supports and contributes to the Division of Student Affairs and California State University, Bakersfield's mission, goals and values.

The Children's Center is dedicated to providing the highest quality developmental care for each child in a stimulating, secure and caring learning environment. The staff establishes positive personal interaction, nurturing each child's growth and education. We plan for all areas of a child's development and education: cognitive, emotional, social, creative, and physical. The Center serves children ages 6 months to 5 years of age. Interested families can call (661) 654-3165.

COUNSELING CENTER

The Counseling Center provides professional mental health counseling services to all registered CSUB students. All counseling services are free of charge, and information shared with a counselor is kept strictly confidential. Services are designed to help students develop their maximum potential while pursuing their educational and personal goals, as well as to help remove any emotional or psychological barriers that may interfere with students' successful graduation from CSUB. The Counseling Center provides individual and group services in the following areas:

Crisis Intervention

Counselors are available at all times that the Center is open to provide crisis intervention assistance. The Center is open Monday – Friday from 8:00 a.m. to 5:00 p.m. throughout the academic year. The Center has limited hours of operation during the summer months, and the Center is closed during Winter break. After-hours, on weekends, holidays, and breaks, students may contact the CSUB Crisis Line by dialing the Counseling Center number 661-654-3366 and selecting the option to talk with a crisis counselor.

Personal Counseling

Personal counseling is an opportunity to meet individually with a licensed counselor to explore various needs and concerns. Common concerns include stress management, personal crises, anxiety, depression, relationship problems, abuse, grief, trauma, alcohol and drug issues, self-esteem problems, managing anger, and eating issues. Personal counseling may address any issue that influences a person's sense of well-being and progress in school. Due to high demands for services, an appointment may be necessary, and the number of individual counseling sessions is limited.

Educational Counseling

Educational counseling includes selecting a major of study, removing barriers to academic success, and developing skills necessary to be successful at CSUB. Counselors provide opportunities for students to identify interests, goals, abilities, and develop decision-making skills.

General Studies Courses

Each term a variety of General Studies courses are offered. Courses are typically available in areas such as self-esteem, stress management, parenting, relationships, and test anxiety.

OFFICE OF STUDENT RIGHTS AND RESPONSIBILITIES (OSRR)

The Office of Student Rights and Responsibilities administers the Student Code of Conduct (Title 5, California Code of Regulations, Section 41301) to maintain a safe and healthy learning environment where students can succeed academically and engage in activities that promote personal

development. The office is committed to educate students about their ethical and social responsibilities as members of the campus community.

The Office of Student Rights and Responsibilities is responsible for adjudicating violations of the Student Code of Conduct in a fair and impartial manner. Through accountability, students learn personal responsibility and behaviors that support the University's standards.

Information about the Student Code of Conduct, the student conduct process, and how to report incidents of misconduct can be found at www.csub.edu/osrr.

RUNNER BOOKSTORE

The CSUB Runner Bookstore is located in the Student Union. The Runner Bookstore provides a variety of services to ensure optimum convenience for all students attending the CSU Bakersfield Campus as well as the Antelope Valley Center Campus location. The bookstore carries all required course materials, study references, general reading books, school supplies, emblematic gifts, CSUB team spirit apparel, health and beauty needs, snacks and beverages. The bookstore offers new, used, rental and digital textbooks. Discounted educational priced software is also available online at www.csub.bkstr.com. Free shipping is provided to all Antelope Valley Students from the CSUB Bookstore location. At the end of each term the Bookstore will buyback your unwanted textbooks depending on the need of the campus and the national collegiate market. The Runner Bookstore regular business hours are Monday–Thursdays 8:00 a.m. to 6:00 p.m. and Friday's 8:00 a.m. to 2:00 p.m. Store hours may vary during the school year. To contact the CSUB bookstore please call 661-654-2273.

STUDENT HOUSING AND RESIDENCE LIFE

The California State University, Bakersfield Office of Student Housing and Residence Life is committed to the academic success of its students, as well as their intellectual and personal development. This is accomplished by providing a safe, clean, and community-centered environment where students can live and learn. Our core priorities are academics, individual growth and development, and housing program expansion. Our residence halls provide CSUB students the opportunity to live on campus, establish a community of support with peers, and engage in a variety of social, recreational, and educational activities while pursuing their academic goals.

More than 500 students of all ages and class levels call CSU Bakersfield 'home'. Our residential facilities consist of two 4-story buildings that provide community space and flexibility. Each floor has a Resident Assistant who lives in the halls and provides activities and resources for the residents. These all-suite residence halls accommodate 500 students in single, double, and triple suites. Each suite contains 2 bedrooms, each

STUDENT SERVICES

shared by 2-3 residents, along with a common living space that is shared by those in the suite. All suites are furnished and carpeted, have individualized heating and air conditioning, as well as their own exclusive restroom. Every suite comes with a bed, desk, and chair for each resident, with basic cable television and wireless Internet access. Other amenities include microwave/fridge combos in each suite, and a centrally located, card-operated laundry facility housed in the Student Housing Community Center. The Community Center also includes amenities such as a multi-purpose room, game room, classrooms, and resident-exclusive group study rooms. Freshmen who do not live at home or with legal guardians are encouraged to live on campus.

The Office of Student Housing and Residence Life sponsors a series of social, educational, and recreational programs throughout the year. There are six living learning communities and one theme hall to assist students in having more solid connections with faculty. These communities are: First-Year Experience, Sociology, Nursing, Hawk Honors, Sensational Sophomores, and the Wellness and Sustainability Community. The Student Housing Community Center serves as a focal point for many of these programs. The Runner Café is the site of our on-campus dining services. Students must select one of five meal plan options when living in the campus residence halls. The dining format has a great number of selections for breakfast and lunch, and is all you care to eat for dinner, which includes hot entries, a deli line, a grill line, and a salad and fruit bar.

The Residence Life staff includes five part-time Resident Community Coordinators who assist with programs such as Academic Success and Residence Hall Association; an Assistant Director of Residence Life; an Associate Director of Student Housing; an Assistant Director of Operations; and, a Director of Student Housing and Residence Life. All staff have been trained in community development, with the express purpose of enhancing student development and life on campus. The majority of the staff are Master's degree-level professionals.

SERVICES FOR STUDENTS WITH DISABILITIES (SSD)

California State University, Bakersfield (CSUB) was planned with a dedication to academic excellence and an emphasis on accommodating individual student needs. This philosophy is extended to all students and is implemented for students with disabilities through the Office of Services for Students with Disabilities.

The mission of SSD is to provide support services that will enable every student, regardless of disability, to have access to a university education. In addition, SSD staff will promote campus awareness of and sensitivity to disability issues.

CSUB is accessible both in its architectural planning and in the attitudes of the faculty and staff. As the nineteenth institution in the California State University system, CSUB was built in the 1970's in compliance with state architectural building codes that mandate accessibility for persons with disabilities. It is a small campus, built on flat terrain, with classrooms and services located close together and with proper ramping.

SSD recognizes the following disabling conditions that may impede the educational process and necessitate support service(s) or programs: visual limitations, communication disability, mobility limitation, specific learning disability, other functional limitations, and temporary disabilities.

- Services are available without charge to all currently enrolled students with verified temporary or permanent disabilities. All contacts and obtained information are confidential within CSU policies and state and federal laws.
- Assistance is available for mobility, reading, writing, and communication needs that may occur during registration.
- Readers, note-taking paper, test proctors, scribes, and interpreter services are provided as appropriate.
- Priority registration is available for students with disabilities.
- A variety of equipment is available including: tape recorders, assistive listening devices, a Kurzweil reading machine, Braille, CCTV large text display, and adaptive computer training.
- Contact is made with off-campus agencies such as the Department of Rehabilitation in order to best meet the needs of the students. SSD staff serves as liaison with campus departments and personnel to ease the student's integration into the campus population.
- A learning disabilities specialist is available to provide diagnostic assessment at no cost to currently enrolled CSUB students who feel they may have a learning disability.
- Disabled Parking spaces for persons with physical disabilities are designated near each major facility on campus, and may be used with a valid DMV Disabled placard and current CSUB Parking Permit.
- Students who are interested in obtaining information about services appropriate to their disabilities should contact the SSD staff for an application for services. SSD is located in the SA 140. Upon receipt of a completed application, including current medical documentation or previous diagnosis of a learning disability, the SSD will evaluate and certify the disability and recommend appropriate accommodations.

Disability Services Advisory Committee

Each campus in the CSU is encouraged to establish an advisory committee for services to students with disabilities in order to assist in the evaluation of current campus policies and procedures relating to students with disabilities. The Advisory Committee will also develop plans relating to programs and services for students with disabilities, recommend priorities,

review barrier removal priorities as specified in the State University Administrator's Manual (SUAM), and develop timelines.

At CSUB, the Director of Disability Services, as designated by the campus President, appoints members of the Disability Services Advisory Committee. The composition of the committee includes campus representatives from various student disability categories, administrative, and academic areas including the Disability Services Office, the Office of Financial Aid and Scholarships, Admissions and Records, Housing Office, Counseling Center, Faculty, etc.

Any disability related concerns should be forwarded to the Advisory Committee to be placed on the agenda for their next meeting. The Committee normally meets on a quarterly basis and more frequently should the need arise.

Confidentiality of Disability Related Student Records

California State University campuses comply with the Family Education Rights and Privacy Act of 1974 (FERPA) and its regulations. Each CSU campus shall maintain appropriate confidential records identifying students with disabilities. Information in these records shall include the student's name, address, social security number, nature of disability, support services recommended, and verifying statement by the director of disabled student services or designee, or documentation provided by the student. The confidential records will be protected in accordance with FERPA regulations with the purpose of providing appropriate academic accommodations to the student. Information about the student may be released with the student's consent or in accordance with FERPA or other applicable legislation.

Service Animal Policy

According to the Americans with Disabilities Act (ADA), a service animal is defined as "any animal individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, and alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items." Service animals must be permitted to accompany a person with a disability everywhere on campus or off campus as the activity (e.g. internship, field work, etc.) pertains to the curriculum. If there are any questions as to whether an animal qualifies as a service animal, a determination will be made by the Section 504 Compliance Officer/ADA Coordinator in consultation with the Office of Services to Students with Disabilities (SSD). In compliance with the ADA, service animals are welcome in all buildings on campus and may attend any class, meeting, or other event. Disabled students desiring to use a service animal on campus should first contact SSD to register as a student with a disability. The Director of SSD (or designee) will

evaluate the disability and recommend any additional accommodations appropriate to the functional limitations. Faculty or staff desiring the use of a service animal on campus should contact the Office of Personnel Services. The Director of Personnel (or designee), in consultation with the Director of SSD (or designee), will evaluate the disability and make any appropriate recommendations. Requirements of service animals and their owners include: Dogs must be licensed in accordance with county regulations and wear a vaccination tag. Other types of animals (monkeys, snakes, miniature donkeys, etc.) must have vaccinations appropriate for that type of animal. Animals must be in good health. Animals to be housed in university housing must have an annual clean bill of health from a licensed veterinarian. Animals must be on a leash at all times. The owner must be in full control of the animal at all times. The owner should provide SSD information as to how the animal accommodates for their disability. Reasonable behavior is expected from service animals while on campus. If a service dog, for example, exhibits unacceptable behavior, the owner is expected to employ the proper training techniques to correct the situation. The owners of disruptive and aggressive service animals may be asked to remove them from university facilities. If the improper behavior happens repeatedly, the owner may be told not to bring the service animal into any facility until they take significant steps to mitigate the behavior. This mitigation may include muzzling a barking dog, or refresher training for the animal and its owner. Cleanliness of the service animal is mandatory. Daily grooming and occasional baths (at a vet or a family home) should keep dog odor to a minimum. Flea control is essential and adequate preventative measures should be taken. If a flea problem develops, it should be dealt with immediately and in an effective manner. Consideration of others must be taken into account when providing maintenance and hygiene of service animals.

Any questions regarding this policy may be directed to either the SSD Office SA 140 (661) 654-3360 (voice) (661) 654-6288 (TDD), or to Claudia Catota, J.D., Section 504 Compliance Officer/ADA Coordinator. Claudia Catota may be reached at (661) 654-2137 or ccatota@csub.edu.

STUDENT HEALTH SERVICES (SHS)

The College Health Professionals at the CSUB Student Health Services are dedicated to providing the highest quality health care to the diverse community at California State University Bakersfield. Services are designed to help students stay healthy and reach their academic goals. Enrolled students at CSUB have access to basic medical care at the Student Health Services located on both the main campus and the satellite campus in Antelope Valley. The SHS has an excellent medical staff of physicians, a nurse practitioner, a registered nurse, and other licensed medical professionals. The Student Health Service is accredited by the Accreditation Association for

STUDENT SERVICES

Ambulatory Health Care, an independent national accrediting organization that recognizes the Student Health Service's high standards of outpatient medical care and services.

Currently enrolled students can access the health services with their CSUB identification card. Currently enrolled students of the Extended University can qualify for care once they have paid the quarterly mandatory health fee. If students are under 18 years of age, they are required to submit a signed "Consent to Treat" form by their parent or guardian prior to receiving any services. Forms are available at the Student Health Services reception desk.

Services offered at the Student Health Services include both basic and augmented services such as general medicine, physicals, immunizations, health education, laboratory, x-ray, and pharmacy. All basic services rendered in support of actual illness or injuries are provided at no extra cost. Augmented services such as pharmacy services, specialized lab testing, or services requested for health maintenance or clearances have a small fee associated with them.

All charges for health care provided off campus are the responsibility of the individual student. The Student Health Services recommends that students have supplemental health insurance for services beyond the scope of the Student Health Services, such as emergency room care, ambulance service, hospitalization, and outside specialist care. For those students not otherwise covered, medical insurance plans are available through the Associated Students, Inc.

Please also see the catalog section on Health Screening regarding documentation of the vaccine series for Hepatitis B vaccination for those students 18 years of age and younger, and documentation of a vaccination for Measles and Rubella.

STUDENT RECREATION CENTER (SRC)

The SRC—It's Your Rec Center!

The 75,000 square foot Student Recreation Center provides optimal service in a safe and fun environment for the CSUB community to achieve physical and mental well-being, personal development, and life-long learning through innovative, student-driven programs of fitness, sports, and wellness.

The SRC opened in Spring 2009 and offers something for every student regardless of gender, age, ethnicity, level of fitness, or skill level. It is an inviting, warm, and friendly place where every person is welcome. CSUB students approved a fee referendum to fund and operate the center, so there is no additional cost for students to use it. The SRC has an annual event the first night of classes each fall to showcase the facilities, programs, and services offered.

The center includes: a 13,000 square foot fitness area equipped with 60+ cardiovascular machines, free weights, plate-loaded weight machines and variable resistance weight machines, core strength area and 24 50-inch LCD screens on the TV tower; seven exercise rooms; 3-court gymnasium, (two hardwood courts and one resilient rubber floor) for basketball, volleyball, badminton, and indoor soccer; indoor 34-foot high climbing wall with separate bouldering rock; indoor 3-lane, suspended, 1/10th of a mile, jogging/walking track; lighted outdoor sports field for informal, intramural, and student club activities in soccer, flag football, ultimate Frisbee, and softball. The SRC provides an equipment check out service including basketballs, net-ball, and other sports equipment; towel service; day-use and rental lockers; shower facilities; table tennis, boxing stand; Wii and X-box; ballet bars; lounge chairs; study tables and Wi-Fi. Additional facilities include the campus tennis courts. SRC 101 is a half an hour orientation scheduled through the first month of each semester to provide information to new students and users who may be unfamiliar with the SRC and the variety equipment, facilities, and services that are offered.

There are a variety of programs offered at the SRC. Intramural Sports provides opportunities for participants to compete in various sports against other students. Examples of intramural sports offering include traditional sports such flag football, soccer and basketball to more different offerings such as corn hole and bubble soccer. Students can set personal fitness and health goals and our Personal Training/Fitness Advising program will provide guided and personal assistance in reaching those goals. Group Exercise classes include Zumba, cycling, yoga, dance, and cardio kickboxing and are schedule through the week. The Outdoor Adventure Program schedules a variety of trips to explore and experience the great outdoors. Trips range from hiking and bouldering to kayaking, zip lining, and skiing. Sports Clubs are student generated and student run organizations that pursue an interest in a sport or activity with the goal of competing collegiately at the state, regional or national level. Current sport clubs include rugby and soccer. The rock wall schedules different activities through the year including belay clinics, speed and distance climbing competitions. There is also a bike-share program (Runner Ride) managed through the SRC and available for the CSUB community

Approximately 90 student staff members are employed by the SRC that makes the SRC one of the largest employers on campus. Students serve in a variety of leadership roles and develop marketable skills that will benefit them in the future.

The SRC's vision is to seek to inspire, influence, and educate the campus community to attain a personalized level of fitness and wellness - all within an environment that is inclusive, accessible, and challenging.

STUDENT UNION and STUDENT ORGANIZATIONAL GOVERNANCE

The Student Union and Student Organizational Governance is comprised of the Student Union Inc. and Student Clubs and Organizations. These areas work together to enhance the quality of the student experience.

The Student Union, Inc. Board of Directors is comprised of students, alumni, faculty, and staff members who guide the direction of the Student Union and set its policy. The Student Union is designed to serve as the social center of the campus community and provide a comfortable atmosphere for students to meet, organize, and attend a variety of events. The building is a contemporary, dynamic facility unique in structure and appearance on campus. The Student Union offices, organizations, facilities and services are intended to support and enhance a successful university experience. Organizations and services housed within the Student Union include: Rowdy's Restaurant, The "R" Cade Game Room, The Runner Bookstore, Campus Programming, and Associated Students, Inc.

Reservations for Student Union facilities should be made by contacting SU Reservations at (661) 654-3346. Facilities that are available for rental include a variety of conference rooms, a large meeting room, outside patio areas, and Runner Park. Rental charges vary depending upon the facility utilized and whether the reservation is being made by a student group, campus department, or off-campus guest.

Campus Programming

Also part of the Student Union is the Department of Campus Programming. Campus Programming is committed to enhancing the quality of the student experience through collaborations with faculty, staff and students and by planning diverse events and activities. The Campus Programming staff focus on creating a vibrant campus life for all students through creative and engaging programming that serves to entertain and educate the CSUB Community.

OFFICE OF THE VICE PRESIDENT FOR STUDENT AFFAIRS

The Office of the Vice President for Student Affairs (VPSA) provides vision, leadership for all of the units that make up the Division of Student Affairs. The VPSA Office provides central budget support to units that comprise the division. In addition, the VPSA Office is responsible for the Student Affairs Graduate Student Leadership program; Student Development Grants, funds awarded on a monthly basis; the Campus Beautification Project; and a variety of other important activities. The VPSA Office is open Monday through Friday, 8am-5pm and can be reached by calling 661-654-2161.
