**Class Enrl Cap:** 30 **Class Enrl Tot:** 30 **Class Wait Cap:** 10 **Class Wait Tot:** 3 **Class Min Enrl:** 0

For multiple and single subject students who are interested in a fully online experience: Students in this class will be expected to attend 1 zoom session during the scheduled meeting time. This course provides early field experience to candidates pursuing a Multiple or Single Subject Credential. Through this course, candidates are provided with opportunities to observe the various learning characteristics of diverse learners across educational settings and to actively participate in a variety of instructional delivery systems that serve diverse student populations. This course is designed to provide the prospective teacher with a frame of reference for further work and study in a professional teaching career. This course will be conducted using online learning experiences. Completion or waiver of this course or EDTE 3100 is required for program admission. NOTE: Students will obtain the Certificate of Clearance and Mandated Reporter certification as part of this course in order to prepare for the credential program application process and state-required clearance for clinical practice (student teaching). To be eligible for course Credit, all assignments must be completed by the deadlines.
