

Final Exams Schedule - Fall Semester 2019

The schedule is based on the first day of the week on which your course meets. If your course is a lecture/lab or lecture/activity combination, use the first day of the lecture meetings to determine your exam day and time. If your course overlaps two or more of the final exam time windows, use the window in which your course meets for most of the time. Final exams are scheduled assuming all classes are MWF, MW or TR arrangements because we don't have enough final exam slots to accommodate all possible arrangements. If you meet only 1 day per week, please have your department admin staff person check if another class is scheduled on the other day of the pair. If there is another class, please contact the instructor, and if you both plan to use the final exam slot, please contact Lisa Zuzarte (lzuzarte@csub.edu). Finals for Online courses are determined by the instructor. Available time slots are Friday, December 13, 2019: 5:00 pm – 7:30pm and 8:00 pm to 10:30pm, or Wednesday, December 18, 2019, 11:00 am – 1:30pm.

CSUB policy provides that no student shall be required to take more than two final examinations on the same day. If a student has more than 2 exams on the same day, the student should contact the course instructors and request a special arrangement. If no instructor agrees to reschedule, the exam in the lowest enrolled course shall, be rescheduled for that student.
