 - i. Assessment Plans for 2022-23
 - o Andreas Gebauer shared that there will be less assessments this year to score but that there are still self-items, artifacts, and GVAR needing to be scored.
4. New Course – PH 3218
 - a. The committee will review the course at their next scheduled meeting.
 - b. The committee suggested that they change the description as it is too generic and does not resemble that of a JYDR course; therefore, they should look at changing the description to reflect that of its context being in the Health World.
5. Assessment, Reports, Action Planning (Box>GECCo> Meeting Materials. 2022-23)
 - a. Area B

General Education

California State University, Bakersfield
9001 Stockdale Hwy. • Mail Stop: 12 AE • Bakersfield, CA 93311

- i. The results from Area B were diverse.
- b. Area C
 - i. The results showed that the target of Area C was met.
- c. Area D
 - i. The results were extremely low, and the target was not met.
- d. American Institutions
 - i. The results showed that it had one of the worst outcomes from the other areas. It was brought up that the poor results were due to the way students were evaluated in courses within this area.
- e. Diversity
 - i. The results were not good. The group members mentioned how that was expected as a result of COVID-19.
