3. Syllabus review results
  - a. The committee decided to begin by identifying the courses that have not been taught for a long time or not at all and then contact the chairs of each department and ask them about the status, the departments intent. Are they planning to offer these courses? If not, can they be discontinued from the GE Program or suspended? If they are planning on offering the courses, we would ask them for an updated syllabus to make sure they still meet the Ge expectations.
