|------------|---|
| (a) | The 2010-2011 Amount reflects the portion of the award that spans the fiscal year. Some awards note the amount as "balance;" these are awards that received "no-cost extensions" but did not receive additional funds for the year. |
| (b) | The Grant Award Amount reflects the total amount booked for each award which could span a few months to over 7 years with extensions. Some sponsors award funds on an annual basis for ongoing projects and the grant amount is noted as "additive" because, although the project/program is ongoing, the award does not span more than one year. |
