## **Researcher Notes**

Conditions Required to Secure IRB Approval:

1. Revise biased statements through the protocol that may influence or sway participants.
2. Level of private identifiable information being gathered presents unnecessary risk to participants.
3. Add to the protocol more detail regarding the tape recording.
4. Add the rationale & justification for the location of the interviews.
5. Regarding where you will be getting your participants from, simply state "Kern County".
6. Confidentiality concerns regarding Social Media comments, add in the protocol that you will disable comment features.
7. Make the language consistent between the Informed Consent Form and the Protocol.
