

THE NATIONAL HEP/CAMP ASSOCIATION

The National HEP/CAMP Association is a nonprofit membership organization comprised of over 100 High School Equivalency Programs (HEP) and College Assistance Migrant Programs (CAMP) situated in IHEs (Institutes of Higher Education) throughout the United States and Puerto Rico. The National HEP/CAMP Association's priorities are to increase the educational opportunities to the family members of migrant and seasonal agricultural workers. The Association's membership provides dropout recovery and placement in postsecondary education or employment to over 7,000 participants each year through the HEP programs. CAMP provides economic and financial support and other non-financial support services to first year college freshmen, most of whom are the first in their families to seek a college degree. The Association provides scholarships and sponsors summer

internships for college students from farmworker families. The Association also provides professional development for its members, ensuring the effectiveness of HEPs and CAMPs.

According to 2016-2017 CAMP data presented by the U.S. Office of Migrant Education (OME)*:

In FY 2016 - 2017, CAMP:

- **88.2% of all CAMP** participants successfully completed their first year at an IHE (24 credits earned and in good academic standing).
- **96.6% of all students that successfully completed CAMP** (24 credits earned and in good academic standing) were enrolled in an IHE the following year. This remarkable success surpasses OME's goal of 85.5% by 11.1%.

According to 2016-2017 HEP data presented by the U.S. Office of Migrant Education (OME) **:

In FY 2016 – 2017 HEP:

- **67.5% of HEP students** who completed their course of study earned a high school equivalency diploma (HSED) or its equivalent.
- **85.6% of HEP students** that earned their GED or its equivalent enrolled in an IHE, improved their job status or enrolled in the military; exceeding OME's goal of 80% by 5.6%.
