Dashboard Navigation

Use the filters at the top of the FTES & Enrollment At a Glance Dashboard to display data of interest on that page. All other pages display numbers for all schools.

Data Source

The Stateside FTES & Headcount numbers come from the ERSS report. The Extended University numbers come from a combination of the sERSS report (degree-seeking and credential students) and a PeopleSoft query (non-degree students).

Calculations & Definitions

Because the Summer 2016 term is a quarter unit term but the Fall 2016 - Spring 2017 year is a semester unit year, the Summer 2016 term has been converted to semester units for the purposes of this report. The conversion was done by multiplying the Summer units by 0.6667.

Additionally, in order to compare terms between the 2015-16 and 2016-17 years, the Term FTES from the 2015-16 year is multiplied by 0.6667 for an equal comparison to the Semester FTES from the 2016-17 year.

California Residents include students participating in the Dream Act tuition program. They do not include students participating in the Western University Exchange program.

For Stateside students, residency is determined by the Residence Status code. Students with a code of N, F or W are considered non-residents. All other students are considered residents.

For Extended University students, residency is determined by the Country of Citizenship code.

A student's campus is determined by the campus indicated on the student's application.

Rebenched FTES: For graduate students = number of units taken in a term/12
For undergraduate students = number of units taken in a term/15

Unrebenched FTES: All students = number of units taken in a term/15

Annualized FTES: Total FTES/2
