Data Source

The Stateside FTES & Headcount numbers come from the ERSS report. The Extended University numbers come from a combination of the sERSS report (degree-seeking and credential students) and a PeopleSoft query (non-degree students).

Calculations & Definitions

California Residents include students participating in the Dream Act tuition program. They do not include students participating in the Western University Exchange program.

For Stateside students, residency is determined by the Residence Status code. Students with a code of N, F or W are considered non-residents. All other students are considered residents.

For Extended University students, residency is determined by the Country of Citizenship code.

A student's campus is determined by the campus indicated on the student's application.

Rebenched FTES: For graduate students = number of units taken in a term/12
For undergraduate students = number of units taken in a term/15

Unrebenched FTES: All students = number of units taken in a term/15

Annualized FTES: Total FTES/2
