Calculations & Definitions

California Residents include students participating in the Dream Act tuition program. They do not include students participating in the Western University Exchange program.

For Stateside students, residency is determined by the Residence Status code. Students with a code of N, F or W are considered non-residents. All other students are considered residents.

For Extended University students, residency is determined by the Country of Citizenship code.

A student's campus is determined by the campus indicated on the student's application.
