Dashboard Navigation Guide

Dashboard Key

1. The tabs *Term Enrollment, College Year Enrollment, Report Builder,* and *Glossary* allow you to navigate between pages.
2. The drop-down menus allow you to filter the data by *Report Type*, *Campus*, *Year*, *Term*, and more.
3. Hover over chart data to see tooltip displaying trends, student counts, and more.
4. Click on the 'reset view' button to return to the dashboard's original view. This resets all charts to default filters.
5. Click on the 'download' button to download data from the dashboard. Download formats include *image, data, crosstab, PDF,* and *PowerPoint*.
