Special Notes about the ESM Waiver									
All ESM waiver courses (or equivalents) must be passed with a grade of C- or better in order to be approved by a Liberal Studies evaluator for 100% competency. If all of the requirements for the ESM waiver are completed and an evaluator approves the coursework, then the student would not have to take the multiple subject CSETs for entrance into a multiple subject or education specialist credential program. Please see our ESM Waiver Application for more information.
