MATHEMATICS DEPARTMENT SEMINAR

A Family of Higher Dimensional Polyhedra

Dr. David Gove

California State University Bakersfield

2:00 PM TO 3:00 PM

Wednesday, November 4, 2026

Science III, Room 123

Abstract

Starting with a simple 2 dimensional example, we will examine the resulting geometry as the example is moved to 3 dimensions and then onto arbitrarily high dimensions, using tools from combinatorics, graph theory and linear algebra.

STUDENTS ARE WELCOME!
