

Requirements for the Spanish M.A. Degree

Name: _____ ID# _____

Catalog Used: _____ Advisor: _____

A Master's degree in Spanish requires a minimum of 30 units of graduate coursework in Spanish and must include courses specified in the worksheet below. Students whose B.A. is not in Spanish may be required to take leveling courses or satisfy placement requirements into upper level Spanish courses.

Required Courses (6 units)

	Semester of completion		Semester of completion
_____ Spanish 5400	_____	_____ Spanish 5410/5420	_____

Elected Courses (21 units) Choose seven courses from available M.A. offerings. At least one course must pertain to each of the areas of literature, language/linguistics, and cultures, and at least two classes must be at the 6000 level or above. Courses previously taken at the 4000 level may NOT be retaken for credit at the graduate level.

Spanish _____	_____	Expanded course title for Special Topics courses:	
Spanish _____	_____	_____	
Spanish _____	_____	_____	

Culminating Experience (3 units) In the final semester of program study, the student will complete a culminating experience (thesis, project, or comprehensive examination) that demonstrates a breadth and depth of knowledge in the discipline and the ability to integrate what has been learned. Culminating experience must be approved by the Graduate Committee. Subsequently, the student will work closely with their chosen advisor to complete the experience and will present and defend their work to an established panel.

	Semester of completion		
_____ Spanish 6900	_____	Selected Culminating Experience	

Total = minimum 30 units
