

Alumni Association Board

The CSUB Alumni Association Board of Directors is a diverse group of professionals in education, government, agriculture, nonprofit, science, real estate, healthcare and law who serve two-year terms with options to serve longer to advance alumni, students and the university as a whole.

Board members are dedicated advocates who help strengthen the connection between alumni and their alma mater. By championing university initiatives, mentoring students, promoting events, and supporting fundraising efforts like `Runners on the Rise, board members play a vital role in advancing student success and elevating CSUB's impact in the community. They attend regular meetings, participate in alumni programming, and help amplify CSUB's story through personal networks and social media. Serving on the board is a meaningful way to give back, build community, and help shape the future of CSUB—together.
