

CSUB Foundation Board

The CSUB Foundation was established in 1969 as a financially self-sufficient auxiliary non-profit organization. The mission of the California State University, Bakersfield Foundation is to support the University by: Advocating for CSUB to government and to the community; Fundraising for CSUB programs and activities; Managing the finances of the Foundation and the University endowment

As a private non-profit corporation, a Board of Directors governs the Foundation. The principal function of the Board of Directors is to establish policies and guide the Foundation in achieving its objectives. Board members work closely with the president and other campus leaders to increase private support to the campus. To that end, the Foundation coordinates its operations with the operations of the campus to help enhance the educational and cultural environment of the university and the community it serves.

The Faculty Representative provides a brief presentation at each meeting, summarizing the faculty's perspective of current campus concerns and successes. Faculty Forum or its successor organization shall elect from the faculty of the University one (1) member of the Board of Directors. The board member elected by the Academic Senate shall be for a term of three (3) years, or as long as he or she is a member of the faculty, whichever period is shorter. *Added from March 2022 Bylaws: The faculty member appointed by the University Academic Senate shall not be eligible for immediate re-election as a member.
