

Web Governance Committee

The purpose of the WGC is to provide strategic direction for CSUB in regards to its web presence. To coordinate and support CSUB staff & faculty across the entire organization to create content that meets web standards including unity and clarity while achieving our overall CSUB and department/unit goals. We are committed to making decisions and recommendations based on real data from competitive audits, usability testing, analytics, campaign feedback, search engine results, and individual feedback. Meetings will be quarterly. *Selected by the respective Dean or MPP.
