Tuesday, August 23, 2022

10:00 a.m. – 11:25 a.m.

Location: BDC 134- BPA Conference Room and Videoconference

**Members:** A. Hegde (Chair), M. Danforth (Vice-Chair), E. Correa (virtual), V. Harper, C. Lam, J. Millar, M. Martinez, M. Rees, and J. Tarjan.

1. CALL TO ORDER

a. A. Hegde called meeting to order.

2. ANNOUNCEMENTS, INFORMATION AND WELLNESS CHECK

a. (A. Hegde) Future guests

i. Faculty Affairs - D. Boschini

ii. Institutional Research – M. Malhotra

b. (A. Hegde) proposed on first senate meeting to announce J. Tarjan as an appointed parliamentarian. Discussed; put to vote.

i. E. Correa nominates J. Tarjan. M. Martinez seconds; approved.

c. General Faculty Meeting debrief – actionable items

i. Discussion: Meeting details

1. (E. Correa) Livestream was difficult to hear at times when members of the audience were speaking, especially without a mic. Attendance: 45-35 people online; (A. Hegde) 85-90 in person.

ii. Discussion: Faculty conduct.

1. (A. Hegde) Will include reminders to follow Robert's Rules in Senate meetings.

iii. Discussion: Office Hours

1. (A. Hegde) Many concerns and questions regarding office hours and options for hybrid. (M. Danforth) Important to consider this option as people transition from the pandemic. Childcare center still not open. (C. Lam) shared faculty concerns about not being able to enforce masking rules in their office spaces and not feeling safe.

2. (A. Hegde) EC will send referral to FAC.

iv. Discussion: Orientations and evaluations

1. (J. Tarjan) Suggestion of further discussion regarding orientation every year for academic deans and department chairs, and regarding interim administrator evaluations.
2. (A. Hegde) confirms that we do have this topic as a discussion item.
- v. Discussion: Instructionally Related Activities (IRAs)
  1. (V. Harper) Challenges with these fees since they were not collected during pandemic and funds were drained.
  2. (A. Hegde) There have been issues with IRA prior to the pandemic including lack of communication and timely response. (M. Danforth) Issues and delays with course material fees as well. (A. Hegde) Requests Dr. Harper to bring these concerns to Dr. Wallace (VP of Student Affairs).
  3. (J. Millar) Dr. Wallace is aware of some of the challenges. Ilaria Pesco will be working on putting together a website listing who is on this committee and additional information that will ideally clear up some of the issues and improve communication. They are aware faculty are confused and communication needs improvement.
3. APPROVAL OF AGENDA (Time Certain 10:05)
  - a. M. Rees moved to approve agenda, E. Correa seconds; approved.
4. APPROVAL OF MINUTES
  - a. May 10, 2022 Minutes (tabled)
  - b. May 17, 2022 Minutes (tabled)
5. CONTINUED ITEMS
  - a. AS Log (tabled)
  - b. Provost Update (V. Harper)
    - i. Summer Compensation – General Faculty and Department Chairs
      1. (V. Harper) Department Chairs have been moved to position control which allows for an increase in summer compensation and for the expense to be absorbed by Provost funds instead of department funds. Aware there is still the issue of director and program manager summer compensation. Will work with a subgroup on winter compensation discussions.
    - ii. Special Assistant to the Provost– Elaine Correa
      1. (V. Harper) – Reason for this appointment is due to the institution’s compact regarding reducing instructional costs.

Have also asked her to serve on the Provost Council.  
Clarification given that it is not an MPP position, but a faculty position with an administrative assignment. Announcement to be sent out shortly to campus.

iii. Handbook Titles

1. (V. Harper) Requests title of AVP of IRPA to be reclassified from Assistant to Associate to match other AVP roles on campus. Reasons being that it caused issues in the search through lack of parallelism, consistency, and compensation.
2. (A. Hegde) EC will send referral to Budget and Planning Committee (BPC).

iv. Open Forums:

1. Provost Open Forum
2. Early Faculty Open Forum
3. Dates and information forthcoming.

v. Discussion: Tenure-Track lines

1. (V. Harper) Conversation about potentially expanding beyond the 5-expansion lines (cluster hires) to take place with the President and council this week.
2. (M. Danforth) Requested that feedback to be shared with those that applied for the cluster hire and did not receive one. Getting information at this point in the semester is already late for recruiting for Fall 2023. Many top candidates have already been hired elsewhere (J. Tarjan agrees).
3. (A. Hegde) Suggest at university level, to have ranking and methodology for allocating new lines be transparent and lines be tentatively allocated in Spring term. Would allow more time for discussion and planning. (V. Harper) Yes, can always pull back a hire if resources do not come but has decided not to go this direction.

## 8. OPEN FORUM:

- a. Discussion: New student convocation (University Week)
  - i. (J. Tarjan) Faculty attendance is light. Requests a larger push and clearer communication to encourage higher attendance in the future.
- b. Discussion: Telephone lines
  - i. (V. Harper) Campus has moved to VOIP servicer, which is much more expensive. The old PBX system is failing. Been working with Faust Gorham (Associate VP & Chief Information Officer) to transition campus incrementally. Dean's and Provost will have to take on some of the cost.
  - ii. (J. Millar) Concerned about phone lines and phone themselves and maintaining HIPAA access.
  - iii. (M. Danforth) Concerned with case management not being able to reach faculty by extension if phone lines if are not open or active. That would then lead to concerns regarding not receiving enough notification of students in their classes that are not cleared for campus. (V. Harper) Will speak with Erika Delamar. Not asking for faculty to give up their phone lines.
- c. Listservs for subcommittees and updates to Senate website to come once K. Van Grinsven and M. Danforth have training and access.

**MEMORANDUM**

**TO:** Academic Senate of the CSU Executive Committee

**FROM:** Sylvia A. Alva, Ph.D.   
Executive Vice Chancellor

**SUBJECT:** Assembly Bill 927 – Community College Baccalaureate Programs

As you know, the passage of Assembly Bill 927 in 2021 gives the community colleges the authorization to offer bachelor’s degrees that are not “already offered by the California State University or the University of California.” This spring was the first submission cycle since the bill’s passage, and we received 10 bachelor’s degree proposals.

We value the thoughtful collaboration with Academic Senate and academic leadership groups in reviewing these proposals. Through this consultation, the CSU and UC found no objections to seven proposals; however, as stated in the attached letter to California Community Colleges Chancellor Eloy Ortiz Oakley, Interim Chancellor Koester has communicated our opposition to the following three proposals on the basis of duplication:

<b>Proposed Baccalaureate Degree</b>	<b>Community College</b>
BS in Biomanufacturing	Moorpark College
BS in Ecosystem Restoration and Applied Fire	Feather River College
BS in Cyber Defense and Analysis	San Diego City College

Given that the next submission cycle will open in August 2022, we will continue to reinforce the CSU’s and UC’s interpretation that we must consider degree duplication from a statewide approach and not a regional approach. We have encouraged campus presidents to explore opportunities for memoranda of understanding or pathway programs with these community colleges to help meet the educational needs of students as well as workforce demand in these disciplinary areas. We appreciate the continued involvement and expertise of our faculty and Academic Senate leaders.

Chancellor  
California Community Colleges

Dear Chancellor Oakley:

The chaptering of Section 78042 of the California Education Code will enable California's three public higher education segments to collaborate in new and promising ways to create and expand additional equitable opportunities for students of all backgrounds to access postsecondary education in California. With the conclusion of the initial review cycle for the California Community Colleges (CCC) Bachelor's Degree Program (BDP) proposals submitted before the January 15, 2022, deadline – and following engagement and discussion among staff from the University of California (UC) Office of the President, CCC Chancellor's Office and Association of Independent California Colleges and Universities (AICCU) – I write on behalf of the California State University (CSU) to convey our appraisal of these proposals as required in Section 78042.

The CSU finds no duplication of existing baccalaureate degree programs within the CSU for the seven proposed CCC baccalaureate programs listed below:

	<b>Degree</b>	<b>Community College</b>
	BS Respiratory Care	El Camino College
	BS Respiratory Care	Foothill College
	BS Respiratory Therapy	LA Valley College
	BS Respiratory Care	Crafton Hills College
	BS in Histotechnology	Mt. San Antonio College
	BS in Automotive Technology Management	De Anza College
	BS in Research Laboratory Technician	Bakersfield College

Chancellor Eloy Ortiz Oakley

May 31, 2022

Page 2

With regard to the three proposed programs listed below, however, the CSU submits its formal, written objection, with supporting evidence. These proposed academic degrees duplicate one or more existing baccalaureate degree programs offered by the CSU and/or UC:

<b>Degree</b>	<b>Community College</b>
BS in Biomanufacturing	Moorpark College
BS in Ecosystem Restoration and Applied Fire	Feather River College
BS in Cyber Defense and Analysis	San Diego City College

The CSU and UC have shared specific supporting evidence of duplication with staff from the California Community Colleges Chancellor's Office.

While the CSU has concerns regarding the CCC's BDP proposals – concerns shared by our systemwide academic senate – I want to emphasize that we look forward to continuing to work with California's community college districts to identify innovative, collaborative ways to address identified workforce needs through postsecondary education. We also welcome the opportunity for the three segment offices to collaborate closely on future review cycles for community college baccalaureate degree program proposals and would be happy to answer any questions related to the assessment conveyed above.

Sincerely,

Jolene Koester, Ph.D.

## Background:

In August 2021, Beth Bywaters interpreted the language of Handbook 311.1 as the call for faculty on Academic Administrator Review Committee (AARC) Provost to be early in Fall '21 semester; the first academic year after the Provost's May 2020 hire. Upon mentioning the Fall '21 formation the AARC to Dee Dee Price, she shared her interpretation, having served as coordinator of many AARCs:

The AARC for Provost would be formed in the Spring of his second year after hire. That would be this semester.

Here is some clarifying language which conforms to the timing and practice of the Academic Administrator Review Committee.

### **311.1 General Guidelines**

Each academic administrator shall be evaluated according to these procedures at three-year intervals. The **first** review **process** should be initiated early in fall semester after their initial hire. **The Academic Administrator Review Committee (AARC) is formed in the following Spring of the administrator's second year.** The President or the President's designee prepares the schedule of the evaluations.

The President may, if he or she believes it is appropriate, call for an evaluation of an individual before a scheduled evaluation.

The supervisor, after consulting with the administrator being evaluated, is responsible for developing the categories to be used for evaluating a director, dean, or academic vice president.

(Revised 12-01-16)

At its meeting on June 1, 2022, the Academic Senate Executive Committee requested that the BPC committee address the issue of Time Blocks and Space Utilization. During your discussion, please consider:

- Whether 50 minutes is enough time for certain classes.
- Whether to offer MW, T TH the same time blocks, and Friday one day a week class time blocks
- The impact of space utilization on approval of future buildings on campus
- How to inform faculty they don't have the choice on when they want to teach
  - Give Pros and Cons to adopting the time blocks

Please take up this matter with your committee and get back to me with your recommendation. If your recommendation requires Senate action, please prepare a resolution and the rationale for the resolution.

At its meeting on June 1, 2022, the Academic Senate Executive Committee requested that the FAC committee address the issue of Holding Exams on the Last Day of Class. During your discussion, please consider:

**ACADEMIC SENATE  
OF  
THE CALIFORNIA STATE UNIVERSITY**

AS-3517-21/FA (Rev)  
November 4-5, 2021

**FACULTY RIGHTS TO DUE PROCESS IN DISCIPLINARY ACTION  
PROCEDURES WITHIN THE CSU**

**RESOLVED:** That the ASCSU recommend that CSU Campus Senates address faculty rights to due process in disciplinary action procedures, including but not limited to developing policies regarding the following:

- requirements for notifying faculty when such actions are being considered but before such actions are initiated;
- providing faculty with any written documents, witness statements, or other evidence being considered before such actions are initiated;
- allowing faculty to submit any information or evidence to appropriate CSU administrator(s) before such actions are initiated;
- allowing faculty to meet with appropriate CSU administrator(s) accompanied by California Faculty Association (CFA) and/or faculty representative(s) before such actions are initiated; and be it further

**RESOLVED:** That the ASCSU distribute this resolution to the CSU Board of Trustees, CSU Office of the Chancellor, California Faculty Association (CFA), California State Student Association (CSSA), CSU campus Presidents, CSU campus Provosts/Vice Presidents of Academic Affairs, CSU campus Offices of Faculty Affairs, CSU campus Senate Chairs, CSU College Deans, and the CSU Emeritus and Retired Faculty & Staff Association (CSU-ERFSA).

***RATIONALE:** The United States Constitution guarantees a fundamental right to due process in the 5<sup>th</sup> and 14<sup>th</sup> Amendments. Due process includes fair procedures and the right to meaningfully defend oneself and be meaningfully represented against allegations of wrongdoing. Article 19 in the Collective Bargaining Agreement (CBA) does not specify rights of faculty to respond to allegations of wrongdoing before disciplinary actions are initiated, only after disciplinary action(s) are already pending, which allows CSU administrators to begin punishments for faculty without ever speaking to them or receiving any information from them. Article 19 specifically allows for creation of additional steps in the disciplinary action process, including opportunities for informal consultation between faculty and appropriate administrators (19.3). Further, CSU Executive Order (EO) 1096-revised indicates that in cases involving accusations of discrimination, harassment, retaliation, dating/ domestic violence, or stalking, investigation procedures must give equal opportunity to complainants and respondents to meet with administrators*

*and to provide information and evidence, and give respondents the right to receive information about allegations of wrongdoing against them (Article III, Section C, Campus Investigation Process, Parts 3 {Intake Interview} and 7 {Investigation Procedure}). The Supreme Court decision in National Labor Relations Board v. J. Weingarten Inc. (1975) provides Weingarten Rights to CSU faculty members, including the right to be accompanied by a CFA or faculty representative(s) to any investigatory interviews with CSU administrators, and the right to receive copies of documents, allegations, and any other evidence that is being considered in investigating a possible disciplinary action.*

**Approved Unanimously – January 20-21, 2022**

## **Distinguished Professor**

Here is what it refers to (via Anna Jacobsen)

As we look for ways to increase the visibility and support of our scholarship-active faculty, I think that it would be worth examining the creation of the title of "**Distinguished Professor**" on our campus. I am aware of this title being used for "internationally recognized faculty scholars" at CSU MB and LB and there are probably other campuses as well. At some institutions, it seems that these are "funded" positions through donors (often they are named distinguished professorships).

Not sure it is the right thing for our campus, but I think that it would be worth exploring.

This is not from a CSU, but I like the clarity of purpose and eligibility on this
