ACADEMIC SENATE

**Endorsement of GE Task Force Recommendations
RES 1314036**

EC

RESOLVED: that the Academic Senate accept the report and endorse the recommendations of the Task Force on General Education.

Rationale: The Task Force on General Education was charged to develop models for reconstruction of the General Education program and to present these for university-wide discussion. Discussion of the models occurred in September and the concerns and comments about these were reviewed by the Task Force. The Task Force has now sent recommendations based on their review for Senate action and implementation. Further, action on General Education reconstruction needs to proceed in a timely manner along with semester conversion. Action is thus needed on the report and its recommendations at this time.
