

Commendation of the CFA Bakersfield Executive Board

RES 232418

EC

Whereas: the 29,000 dedicated faculty of the California State University system, after good-faith negotiations for equity, justice, and wellbeing were not satisfactorily addressed in a fair contract, held an unprecedented systemwide strike organized by the California Faculty Association (CFA) at the start of the Spring 2024 semester,

Whereas: union members and non-members alike, whether they actively participated in the strike or not, came together and were mobilized by valuable colleagues on the CFA Bakersfield Executive Board to strike for a fair contract,

Whereas: Dr. Tracey Salisbury, CFA Bakersfield President, demonstrated unwavering leadership in leading the Executive Board to regularly and effectively communicate with the faculty about the strike, be it

Resolved: that the Academic Senate commend and express its gratitude to the CFA Executive Board members for a strong well-organized strike action on the CSUB campus, and for their steadfast commitment to negotiations for a fair contract.
