ACADEMIC SENATE

Eligibility for Faculty Awards

RES 212238

FAC

RESOLVED: That *University Handbook* language for faculty awards be revised (additions in **bold underline**) as specified below:

308.3 Annual Faculty Awards for Excellence

The following honors are annually bestowed upon faculty members who have distinguished themselves in areas of teaching, faculty leadership and service, or in research. In addition, the campus nominates faculty for the system-wide Wang Family Excellence Award.

In each instance the Provost/Vice President for Academic Affairs (P&VPAA) shall initiate the selection process by notifying the Faculty Honors and Awards Committee and Academic Senate of the timeline for proceeding.

Members of the Faculty Honors and Awards Committee shall neither be eligible to nominate a candidate for any of these awards nor be a candidate for any of the awards. Further, it is expected that committee members shall enter the process free of bias for or against any nominee.

Faculty may be nominated for an award that they have previously received during a prior review cycle provided that at least ten years have elapsed since prior receipt of the award. Faculty who have previously received one category of award may be nominated for a different category of award at any time, with no required time lapse between nominations. The Promising New Faculty Award can only be awarded to an individual once.

The following is suggested as a timetable for awards.....

RATIONALE: There is no current policy regarding faculty winning an award multiple times. This addition clarifies a policy.
