**RESOLVED:** That to further facilitate reducing costs for students, the Academic Senate recommend that information about available affordable textbook options be included in the mandated notification about textbook costs.

The bookstore notification should include a statement indicating that there are low-cost and/or free resources available at CSUB, and that students should contact their instructor for details.

**RATIONALE:** Textbook affordability remains a pressing issue for students that impacts student academic success. In compliance with the California Compact, it is critical that CSUB reduce the cost of instructional materials by 50 percent by 2025.
