Academic Affairs Committee (AAC)
Report to the Academic Senate
Thursday, February 29th, 2024

AAC addressed the following resolutions and referrals:

- **Referral 2023-2024 #28 Proposal for a New Minor – Human Resource Management:** AAC received confirmation from the management program that the pre/co-requisites for MGMT 3000 (Organizational Behavior), a required course for the minor, will be waived for students completing the minor. Additionally, we received communication that from a pedagogical standpoint, MGMT 3000 is a good first course for non-business majors and does not depend on prior knowledge. Based on this information, AAC approved the proposal and drafted a resolution.

- **Referral 2023-2024 #29 Proposal to add New Minors – Ethnic Studies, Feminist Ethnic Studies, Queer Ethnic Studies:** Tracey Salisbury responded to questions from AAC via email and met with the committee to answer any additional questions. Her responses to our questions cleared up our concerns and AAC expressed no issues moving forward with the minors. The only barrier to approval is that some courses listed for the minor need to be approved by GECCo (the minor cannot be approved if it contains courses not listed in the catalog). Eduardo Montoya is going to reach out to the SSE Dean's Office to see where those are so GEECo can get those approved ASAP and we can move forward. AAC will submit a resolution to full senate as soon as we have notification that the courses have been approved.

- **2023-2024 #30 Academic Integrity Policies - Graduate and Undergraduate:** The Academic Integrity Group sent two items for approval: (1) revised the CSUB Undergraduate Academic Integrity Policy to add a policy for Artificial Intelligence and (2) CSUB Graduate Academic Integrity Policy and the recently revised. AAC did not see a difference between two documents received and will follow up to ensure that they have the correct documents. AAC did discuss the addition of the Academic Integrity Policy at some length and debated whether it was too vague. Ultimately, we decided the vagueness was likely necessary due the changing nature of AI, and decided to recommend adding the word explicit (i.e., "without the permission of the instructor" to "without the explicit permission of the instructor").

Report to Academic Senate for AS&SS

February 29, 2024

Dr. Melanie Taylor (Vice-Chair for AS&SS) led the committee meeting after Dr. Correa left the meeting to attend a conference and submitted this report for inclusion in the Academic Senate Report. The AS&SS committee members discussed two new referrals during the meeting— Referral #31 on the Need for Academic Testing Center and Referral #30 on Academic Integrity Policies. For Referral #31, the committee made final edits to a survey that will be distributed to department chairs to share with faculty assessing the need for an Academic Testing Center. For Referral #30 on Academic Integrity Policies, the committee voted to unanimously approve the addition of language regarding Artificial Intelligence to the CSUB Undergraduate Academic Integrity Policy. For the second part of Referral #30 on Academic Integrity Policies, the committee voted to unanimously approve the Graduate Academic Integrity Policy, but with a few changes. First, the committee would like language added to the policy regarding the grievance process for students. Second, the committee would like language added to the proposed syllabus language regarding the grievance process. Third, the committee suggests the following line on page 3—"when a faculty member discovers a violation" be changed to read "when a faculty member imposes a penalty for a violation".

AY2023-2024 Budget and Planning Committee Report

Thursday, February 29, 2024
10:00-11:30 AM
BDC 134A-Conference Room

BPC committee met on February 29 and focused on the following issues:

- BPC hosted the visit of three Public Health faculty, listened to their response on previously raised questions and requested the Public Health team's assistance with three more areas:
  - Asking for a letter of verification confirming that all three public health faculty members are currently on position control,
  - Asking for the first 3 years of operations (suggested in an excel worksheet or table), e.g., faculty positions, staff positions, operating expenses, etc,
  - Given that one professional advisor position is currently grant-funded, and there's a possibility of losing this individual if the grant is not renewed upon expiration, the BPC wonders if the new department will be able to address this potential issue.
- BPC was invited by AAC to take a look at Referral 29 Proposal to add New Minor in Ethnic Studies, Feminist Ethnic Studies and Queer Ethnic Studies. BPC did not have any major concerns and voted to support these proposals in the referral.

Faculty Affairs Committee

Thursday, February 29, 2024
10:00 –11:30 AM

Announcements – (1) MR will meet with Denver Fowler regarding Canvas use for referral #2 Digitizing the Performance Review Process, and (2) MR with SS and JT will prepare a request for a referral to the Exec committee regarding service credit award and the counting of prior experience regarding sabbatical and RTP review including for early tenure for those given service credit.

During this meeting, FAC worked on the two referrals below - both also assigned to other Senate subcommittees – and hopes to pass our comments forward to the other subcommittees in a timely manner:

1. 2023-2024 #11 Academic Administrators Search and Screening – Handbook change. Our committee considered the edits from BPC and provided our own track changes and shared those changes with the chair of BPC. FAC and BPC will have a joint meeting on March 14th.

2. 2023-2024 #26 New Department Proposal – Public Health – second reading today. FAC examined each part of the proposal that was found with the link https://csub.box.com/s/kibjg6yje7juuxm0dw3rscp3rwxhwvv4 and found some concerns. FAC composed questions to send (via email) to Dr. McBride to address. Those questions will be sent to Dr. McBride by Wednesday, 3/6/2024.
