

UNIVERSITY REVIEW COMMITTEE (URC)

Retention, Award of Tenure, and Promotion – Handbook 305.8.1
 Full-time tenured faculty, at the rank of **Full** Professor or **Full** Librarian, are elected for two-year staggered terms to this committee, and if eligible, they must service if they are elected. Only tenured **full** Professors, librarians, and counselors can be nominated. The rationale is that the URC participates in decisions regarding promotion from Associate Professor to Professor, and only full Professors can make the decision to elevate a colleague's rank to **full** Professor. The President of the Faculty Union, the Director of TLC and the Chair of the Academic Senate are not eligible to serve on this committee. Department Chairs and faculty who have served within the past six years may be exempt. URC members may not serve on a Department RTP Committee. The URC shall perform the same review functions for librarians, counselors, and teaching faculty.

		Name	Department	Term
