

EDUCATIONAL COUNSELING PROGRAM INFORMATION SESSION

CSU, BAKERSFIELD

ABOUT US

The Master of Science degree in Counseling is a 46-48 semester unit degree designed to provide graduate preparation for counselors in the areas of School Counseling and Student Affairs in Higher Education. The major goal of the program is to prepare professional counselors who have the knowledge and skills to practice in a wide variety of counseling settings.

The school counseling concentration prepares candidates to receive the Pupil Personnel Services (PPS) credential in School Counseling. The student affairs concentration specialty coursework includes competencies from NASPA and ACPA.

WHY US

With a degree in Educational Counseling you can work in a variety of settings:

- Elementary School
- State University
- Community Agencies
- Community College
- High School
- Junior High School
- Private University
