### **MEMORANDUM**

Date: January 14, 2019

To: The Campus Community

From: Dr. Markel D. Quarles  
Director, Center for Career Education & Community Engagement

Re: Faculty Coordinator for Community Engagement, Dr. Bre Evans-Santiago

---

The Center for Career Education and Community Engagement (CECE) is pleased to announce Dr. Bre Evans-Santiago as the new Faculty Coordinator for Community Engagement, effective January 7, 2019. In her role, she will build on our continued work with faculty and community partners to develop and assess service learning, academic-based internships, and community-oriented projects for students.

Dr. Evans-Santiago is an Assistant Professor of Teacher Education at CSUB with recognized expertise in improvement science. With current research interests in PK-12 minority male success and LGBTQ issues in education, Dr. Evans-Santiago is actively involved in several areas. She is the co-principal investigator of the Kern Urban Teacher Residency Program, co-chairs the LGBTQ+ Pride Faculty and Staff Affinity Group, serves as a research fellow with WestEd, and is actively involved with the Center for the Advancement of Reading and Writing. Prior to joining CSUB, Dr. Evans-Santiago served as a Full Time Lecturer of Teacher Education at Illinois State University.

Please join me in congratulating Dr. Bre Evans-Santiago.
