CSU Bakersfield Ranked Among Top 50 Best Online Master's in Curriculum and Instruction by Top Education Degrees

October 16, 2018 — California State University, Bakersfield has been ranked among the top 50 best online master's in curriculum and instruction by Top Education Degrees.

CSUB came in at number 39 in the Top Education Degrees rankings. Top Education Degrees awarded points based on tuition value, student-to-faculty ratio, and national recognition, with bonus points awarded for a special tuition discount for online students. The rankings were created using the National Center for Education Statistics' College Navigator database.

"Our number one priority is to provide our students with a meaningful education that prepares them to lead and serve our communities," said CSUB President Lynnette Zelezny. "We are proud to be included in this ranking of best online master's in curriculum and instruction."

In announcing the rankings, Top Education Degrees said, "With a student-to-faculty ratio of 24 to 1, CSU Bakersfield's online Master of Arts in Education: Curriculum and Instruction is a 30-credit hour program that includes coursework in educational leadership and curriculum development and transformation. (CSUB) offers a reading and literacy added authorization with this program. They are accredited by the Western Association of Schools and Colleges, Senior College and University Commission."

About CSUB

California State University, Bakersfield is a comprehensive public university committed to offering excellent undergraduate and graduate programs that advance the intellectual and personal development of its students. An emphasis on student learning is enhanced by a commitment to scholarship, diversity, service, global awareness and life-long learning. The University collaborates with partners in the community to increase the region's overall educational attainment, enhance its quality of life, and support its economic development. The University was founded in 1965 and opened for classes in fall, 1970. Its vision is to be the leading campus in the CSU system in terms of faculty and academic excellence and diversity, quality of the student experience and community engagement. The University's faculty is world-class, with nearly 75% holding the highest degrees in their respective fields.

The University serves more than 10,000 students between the main campus in Bakersfield and CSUB Antelope Valley and counts more than 50,000 alumni from its four schools: Arts and Humanities; Business and Public Administration; Natural Sciences, Mathematics and Engineering; and Social Sciences and Education. The University offers undergraduate, graduate, and post-graduate and credential programs, and a Doctoral Program in Educational Leadership (Ed.D). CSUB's Extended Education and Global Outreach serves the community by offering additional professional development, certificate, and degree programs.
