

# GUIDE TO SUSTAINABLE CAMPUS LIVING

“Strive not to protect the environment,  
but rather, to create one that no longer requires protecting. ”

## CONSERVING

### WATER

- Turn off the faucet when brushing your teeth.

### ENERGY

- Thermostat checks
  - 68 degrees in winter.
  - 78 degrees in summer.
  - Use blankets and fans instead
- Utilize natural light when possible.

## COMMUTING

### GET BUS PASS DISCOUNTS

- 50% off of a monthly *GET* bus pass. Available at cashier's office.

### VEHICLE CHARGING SPOTS

- Complimentary electric vehicle charging stations located in parking Lot M. Station will text you when your auto is done charging.

### BICYCLE REGISTRY STICKERS

- A free and voluntary service provided by the CSUB Police Department. The stickered tag on your bike will ensure it can be identified and returned in the event it is stolen and recovered.

## CONSUMING

### SINGLE USE UTENSILS

- Pocket in your own utensils when dining out at campus restaurants that use single use plastic-wear.
- Just say “no thank you” to straws.

### DISCOUNTED COFFEE

- The Library offers discounted coffee to those who bring in their own cups.
