

Secondary Education

The Single Subject Credential Program is a professional preparation program accredited by the California Commission on Teacher Credentialing (CCTC) and Association for Advancing Educator Preparation (AAQEP).

Our program prepares candidates to teach at the junior high and high school levels. Our teacher candidates are provided the tools to create diverse, inclusive, and equitable classrooms with an integrated approach to theory and practice. Our program is primarily a face-to-face program with courses beginning in the early evenings.
