VA Payment Update

Many Veteran CSUB students may have noticed a message of an outstanding balance on their account and that they will be dropped if they don't pay by 4:00 pm, Feb 10, 2022.

DO NOT WORRY!

Students who have received their Certificate of Eligibility from the VA and have e-mailed Katie Schneider with relevant documents will not be removed from their classes.

YOU at CSUB

CSUB has partnered with YOU at College to offer **YOU at CSUB**, a unique and free web portal dedicated to student health, happiness and success.

As the first technology of its kind on college campuses, YOU emphasizes individual well-being and self-awareness in order to connect students to information, campus resources, peers and opportunities—whenever they need it. Below are steps on how to use and sign up for the service:

- Step 1: Visit <https://you.csub.edu> or access YOU at CSUB through the CSUB mobile app. On the homepage, students can get a breakdown of the portal or just jump right in.
- Step 2: Students, faculty and staff can log in using their university email account. As an extension of campus, YOU keeps all personal information that students provide on the YOU portal private.
- Step 3: Discover. Once inside, students can start to customize their profile or take one of three Reality Checks. Both features are designed to cater content like tips, quizzes, videos and campus resources based on general needs and interests of individual students.
- Step 4: Revisit. The YOU portal is intended to be used throughout a student's college life. With changing content and dynamic tools, there's a use for YOU from move-in day to landing that first job.

Sea Cadets Volunteer Opportunity

LTJG Monica Deaton is the Commanding Officer for the U.S. Naval Sea Cadet Program. She is reaching out because she needs instructors/officer's from our program. It does not matter what branch you served in as your knowledge will help assist in making our cadets better. If you are interested or would like more information, please feel free to contact through the websites below:
